You Gotta Deal with it Theodore R. Kennedy,1980 *You Gotta Deal With It* explodes the myth that the lives of Southern rural blacks have changed dramatically as a result of the civil rights revolution. Black anthropologist Theodore R. Kennedy offers a compelling account of his field work in a Southern community in 1972. Written at a time when blacks are returning to the South in record numbers, the author attests that the stereotypical Southern town -- replete with poverty, prejudice, and hopelessness -- still exists.

You Gotta Deal with It Theodore R. Kennedy,1980-03-06 At a time when blacks are returning to the South in record numbers, this book offers proof that the stereotypical Southern town--replete with poverty, prejudice, and hopelessness for blacks--still persists despite the civil rights revolution. Presenting an anthropological overview of one community and in-depth analysis of four extended families, this book dispels misconceptions about the Southern black family and shows it to be a coherent, well-defined, and viable structure.

Marriage and Family Elizabeth Peters,Claire M. Kamp Dush,2009-07-16 Family life has been

radically transformed over the past three decades. Half of all households are unmarried, while only a quarter of all married households have kids. A third of the nation's births are to unwed mothers, and a third of America's married men earn less than their wives. With half of all women cohabitating before they turn thirty and gay and lesbian couples settling down with increasing visibility, there couldn't be a better time for a book that tracks new conceptions of marriage and family as they are being formed. The editors of this volume explore the motivation to marry and the role of matrimony in a diverse group of men and women. They compare empirical data from several emerging family types (single, co-parent, gay and lesbian, among others) to studies of traditional nuclear families, and they consider the effect of public policy and recent economic developments on the practice of marriage and the stabilization—or destabilization—of family. Approaching this topic from a variety of perspectives, including historical, cross-cultural, gendered, demographic, socio-biological, and social-psychological viewpoints, the editors highlight the complexity of the modern American family and the growing indeterminacy of its boundaries. Refusing to adhere to any one position, the editors provide an unbiased account of contemporary marriage and family.

Having been sexually assaulted and harassed by her superiors while on active duty, Airman Russell reported the harassment and was forced to endure even more betrayal from her beloved Air Force in the form of retaliation and discharge. This memoir chronicles her 20-year journey as she fought the system and triumphed despite suffering from PTSD caused by Military Sexual Trauma. But ... the story doesn't end with her triumph over the efforts to cover up her ordeal. That was only the beginning of her journey to figure out what was wrong with her, and why her seemingly perfect life after the military, just kept falling apart. The story is narrated by the author through the eyes of her 2 alter ego personalities who take the lead during different parts of the journey. Airman Russell is the young military woman who has remained hyper-vigilant throughout the years and on the ready to protect Sonya from danger, real or perceived. While Alex has learned to weaponize her sexuality to survive and make sure Sonya stays on top, no matter what! Come along on the journey with Sonya through

All Day and a Night Alafair Burke, 2014-06-10 A new murder case with ties to a convicted serial killer leads Detective Ellie Hatcher into a twisting investigation with explosive and deadly results in this superb mystery from the “terrific web spinner” (Entertainment Weekly) Alafair Burke. When psychotherapist Helen Brunswick is murdered in her Park Slope office, the entire city suspects her estranged husband—until the District Attorney’s office receives an anonymous letter. The letter’s author knows a chilling detail that police have kept secret: the victim’s bones were broken after she was killed. Her injuries were eerily similar to the signature used twenty years earlier by Anthony Amaro, a serial killer serving a life sentence for his crimes. Now, Amaro is asking to be released from prison, arguing that he was wrongly convicted, and that the true killer is still on the loose. NYPD Detectives Ellie Hatcher and JJ Rogan are tapped as the “fresh look” team to reassess the original investigation that led to Amaro’s conviction. The case pits them against both their fellow officers and a hard-charging celebrity defense lawyer with a young associate named Carrie Blank, whose older sister was one of Amaro’s victims. As the NYPD and Amaro’s lawyers search for certainty among conflicting

evidence, their investigations take them back to Carrie's hometown, where secrets buried long ago lead to a brutal attack—one that makes it terrifyingly clear that someone has gotten too close to the truth.

The Whole Thing Together Ann Brashares, 2017-04-25 A beautifully written novel about love, class differences, and betrayal playing out over the course of a fractured American family's Long Island summer from #1 New York Times bestselling author Ann Brashares, author of the Sisterhood of the Traveling Pants series. "A gorgeously written novel on love, loss and family." —NICOLA YOON, #1 New York Times bestselling author of *Everything, Everything* Summer for Sasha and Ray means the sprawling old house on Long Island. Since they were children, they've shared almost everything—reading the same books, running down the same sandy footpaths to the beach, eating peaches from the same market, laughing around the same sun-soaked dining table. Even sleeping in the same bed, on the very same worn cotton sheets. But they've never met. Sasha's dad was once married to Ray's mom, and together they had three daughters: Emma, the perfectionist; Mattie, the beauty; and Quinn, the favorite. But the marriage crumbled and the bitterness lingered. Now there are two new families—and neither one will give up the beach house that holds the memories, happy and

sad, of summers past. The choices we make come back to haunt us; the effect on our destinies ripples out of our control . . . or does it? This summer, the lives of Sasha, Ray, and their siblings intersect in ways none of them ever dreamed, in a novel about family relationships, keeping secrets, and most of all, love. □ “Masterful.” —PW, Starred □ “A continuous, consistently engrossing narrative . . . deeply moving.” —The Bulletin, Starred “A gorgeous exploration of family, secrets, and love.” —Teen Vogue “You absolutely must read it.” —PopCrush An Amazon Best of the Month Selection A Teen Choice Book Award nominee!
