Grab Their Belts to Fight Them Warren Wilkins,2011 In 1965, despite pronounced disadvantages in firepower and mobility, the Communist Vietnamese endeavored to crush South Vietnam and expel the American military with a strategy for a quick and decisive victory predicated not on guerrilla but big-unit war. Warren Wilkins chronicles the formation, development, and participation of the Viet Cong in the opening phase of the big-unit war and shows how the failure of that strategy profoundly influenced the decision to launch the Tet Offensive. Unlike most books on the war, this one provides an authentic account from the Communist perspective, wi ...

Trump's Pussy Coloring J.Johnson,2017-01-22 Including 25 close art illustrations of vaginas! On October 7, 2016, during the 2016 United presidential election, The Washington Post released a video and accompanying article about Donald Trump and Billy Bush having an extremely lewd conversation about women in 2005. In the video, Trump indicated that he might start kissing a woman that he and Bush were about to meet during the filming of an episode of Access Hollywood, a show owned by NBCUniversal. Trump then said: I don't even wait. And when you're a star, they let you do it, you can do anything ... grab them by the pussy. The recording provoked strong reactions by media figures and politicians across the political spectrum. Thousands of people - many wearing pink 'pussy hats' - have turned out in support of women's rights in Washington DC as part of a show of action on Donald Trump's first day as US president.

Stay Cool Mark Pucci,2007-11 Stay Cool is perhaps a polemic. Better yet, it is the song of the underprivileged. Either way, here is a book that mixes both of these elements celebrating only those things which are vital to our happiness. Indolent and content, Mark Pucci thoroughly enjoys a bohemian lifestyle. Elevating art above the superficiality of materialism, he leads a humble life filled with the wealth of poetry, music, family and friends. Yet all of this is threatened after a conversation with a wealthy eccentric who lives vicariously through Mark's talent as a writer. Seduced by the prospect of making some extra money, unable to afford to fix a nagging toothache, Pucci is tempted by the prospects of fame. From the recurrence of the shadowy young kid who reminds him to stay cool to the many episodic events that unfold throughout the story, he is constantly drawn inward. Perhaps the most surprising part comes at the end in Pucci's efforts to bring love to two lonely individuals while in the wake of his own self-discovery. His achievement is the ability to focus beauty on the ordinary gifts we commonly take for granted all across America.
