Bloodline of the Holy Grail Laurence Gardner,2004-09-01 From royal and suppressed archives comes documented proof of the heritage of Jesus in the West and the long awaited discovery of the Holy Grail. In fulfilling this time-honored quest, penetrating new light is cast upon the Grail Code of Service and the venerated feminine element, upheld in chivalry but forsaken by the Church in order to forge a male dominated society. This unique work offers revelatory insight concerning the descendant heirs of Jesus and his brother James while, in documenting a hidden legacy of the Messiah, it unveils hitherto guarded facts about characters such as Mary Magdalene and Joseph of Arimathea. Tracing the sacred lineage through centuries of persecution and Inquisition, Bloodline of the Holy Grail reveals a systematic suppression of authentic records and a strategic manipulation of the New Testament Gospels. Featuring all the charm and adventure of Arthurian romance, coupled with enthralling Rosicrucian and Templar disclosures, this extraordinary work has a cutting edge of intrigue that removes the established blanket of enigma to expose one of the greatest conspiracies ever told.

Anna, the Voice of the Magdalenes Claire Heartsong, 2017-11-28 In this channelled sequel to the international bestseller *Anna, Grandmother of Jesus*, we journey with Anna, the Holy Family and 18 other Magdalene-Essenes as they travel to France and Britain after Jesus's crucifixion and resurrection. This book gives a completely new perspective on the gnostic Mount Carmel Essene mystery school, in which Jesus and Mary Magdalene took initiations, as well as on the Holy Family and the Magdalene Order. Through Claire Heartsong, Anna tells not only the story of Jesus, but also the story of the women who surrounded him throughout his life. The book reveals the deeper mysteries they have safeguarded for aeons of time, including aspects of Jesus's personal life not recorded in history – his relationships and, most radically, his offspring. In this one-of-a-kind story, Claire shares the information she received from Anna on the 'Seeding of Light' – the dispersion of Anna, Mother Mary and Jesus's enlightened descendants whose 'bloodline' acts as a living catalyst for the awakening of the Christ-Magdalene potential today. Not only does this book give a new view of the Christ drama 2,000 years ago but, more importantly, it offers the potential to lift the suppressed Divine Feminine voice in our time.

Making Conversation Fred Dust,2020-12-01 A former Senior Partner and Global Managing Director at the legendary design firm IDEO shows how to design conversations and meetings that are creative and impactful. Conversations are one of the most fundamental means of communicating we have as humans. At their best, conversations are unconstrained, authentic and open—two or more people sharing thoughts and ideas in a way that bridges our individual experiences, achieves a common goal. At their worst, they foster misunderstanding, frustration and obscure our real intentions. How often do you walk away from a conversation feeling really heard? That it moved the people in it forward in some important way? You're not alone. In his practice as a designer, Fred Dust began to approach conversations differently. After years of trying to broker communication between colleagues and clients, he came to believe there had to be a way to design the art of conversation itself with intention and purpose, but still artful and playful. Making Conversation codifies what he learned and outlines the seven elements essential to successful exchanges: Commitment, Creative Listening, Clarity, Context, Constraints, Change, and Create. Taken together, these seven elements form a set of resources anyone can use to be more deliberate and purposeful in making conversations work.

The Lost Book of the Grail Charlie Lovett,2018-02-27 From the New York Times bestselling author of The Bookman's Tale comes a new novel about an obsessive bibliophile's quest through time to discover a missing manuscript, the unknown history of an English Cathedral, and the secret of the Holy Grail Arthur Prescott is happiest when surrounded by the ancient books and manuscripts of the Barchester Cathedral library. Increasingly, he feels like a fish out of water among the concrete buildings of the University of Barchester, where he works as an English professor. His one respite is his time spent nestled in the library, nurturing his secret obsession with the Holy Grail and researching his perennially unfinished guidebook to the medieval cathedral. But when a beautiful young American named Bethany Davis arrives in Barchester charged with the task of digitizing the library's manuscripts, Arthur's tranquility is broken. Appalled by the threat modern technology poses to the library he loves, he sets out to thwart Bethany, only to find in her a kindred spirit with a similar love for knowledge and books—and a fellow Grail fanatic. Bethany soon joins Arthur in a quest to find the lost Book of Ewolda, the ancient manuscript telling the story of the cathedral's founder. And when the future of the cathedral itself is threatened, Arthur and Bethany's search takes on grave importance, leading the pair to discover secrets about the cathedral, about the Grail, and about themselves. "Lovett's unique work combines literary and historical research with classic elements of cozy mysteries, classic love stories, and exciting adventure tales to create a true genre-blending masterpiece. At once funny, heartwarming, and suspenseful, The Lost Book of the Grail has something for every kind of reader, and every kind of book-lover, alike." —Bustle
