Grammar Express with Answers Marjorie Fuchs, Margaret Bonner, Kenna Bourke, 2003 'Grammar Express' is a practical tool for intermediate students who wish to learn or review English grammar. It offers a balance of grammar reference and practice, can be used in class or for self-study, provides a range of clear explanatory charts and presents language in real-life contexts. Self-check activities and tests help students monitor their understanding and progress, 'Be careful' notes warn of common errors and 32 appendices provide useful information on a range of subjects from the obvious (irregular verbs) to the less obvious (common time word changes in indirect speech).

Grammar Express Marjorie Fuchs, Margaret Bonner, 2001 Grammar Express is an intermediate to high-intermediate text that features four-page units that present and practice key grammar points. The text's concise, easy-to-follow format is organized into 76 thematic units featuring: A cartoon or piece of realia presenting the target grammar in a meaningful context to raise student interest and involvement. Clear grammar charts presenting the target grammar in all its forms. Quick, self-access activities allowing students to discover the target grammar and manipulate its forms before they start studying its uses. Concise grammar explanations and multiple examples focusing on the meaning and uses of the target grammar. Two full pages of controlled practice exercises, including fill-ins, matching, multiple choice, and writing/editing skill builders. In addition, the text features: Fifteen SelfTests (one at the end of each part) offering additional opportunities for review and practice. A complete Answer Key to all self-check activities, practice exercises, and SelfTests. A dual platform CD-ROM (for PC and Macintosh) contains additional editing practice for in-class or self-study. The exercises include sentence-level and paragraph-level error correction correlated to every grammar point in the Student Book. Grammar Express has self-contained units that may be used in any order with any grammar course. It may be used as a classroom text or as a self-study handbook. This two-volume series combines a concise, easy-to-follow format- two pages of presentation followed by two pages to practice - to quickly bring English language learners up to speed.

Super Grammar Tony Preciado, 2013-02-01 Think grammar is difficult? You just need someone to save you from it! The best learning tools for a young mind are word association, visual aids, and superpowers! In SUPER GRAMMAR, all of the major elements of grammar will be personified with superhero or super villain identities. You won't just learn about the part-of-speech called an adverb. Instead you'll meet the vibrant super heroine The Adverb, and you'll learn about her awesome ability to modify verbs and other adverbs. You won't simply be told that you shouldn't use a double negative in a sentence. Instead you'll actually meet the sinister twin brothers, Double Negative, and you'll learn how to avoid being tricked into falling for their double talk. The book's fun, full-color design looks like a mix between a reference book and a comic book. With SUPER GRAMMAR you'll learn to save yourself!

Cantonese: A Comprehensive Grammar Stephen Matthews, Virginia Yip, 2013-05-24 Cantonese: A Comprehensive Grammar is a complete reference guide to Cantonese as spoken by native speakers in Hong Kong. It presents a fresh and accessible description of the language, concentrating on the real patterns of use in current Cantonese. This makes it the ideal reference source for all learners and users of Cantonese, irrespective of level, in schools, colleges, universities and adult classes of all types. Moreover, it will provide a lasting and reliable resource for all fluent speakers of the language. The book is organized to promote a thorough understanding of Cantonese grammar. Arranged by both syntactic categories and language functions, the Grammar provides an in-depth treatment of structures and pays special attention to idiom and speech registers. Explanations are full, clear and free of jargon. An extensive index, numbered paragraphs and generous use of headings and cross-references provide readers with easy access to the information they require. Features include: Comprehensive pronunciation section Full use of examples from films, advertising and authentic conversations Cantonese-English parallels highlighted throughout the book All examples given in characters as well as pinyin

Spoken Natural Language Dialog Systems Ronnie W. Smith,D. Richard Hipp,1995-02-02 As spoken natural language dialog systems technology continues to make great strides, numerous issues regarding dialog processing still need to be resolved. This book presents an exciting new dialog processing architecture that allows for a number of behaviors required for effective human-machine interactions, including: problem-solving to help the user carry out a task, coherent subdialog movement during the problem-solving process, user model usage, expectation usage for contextual interpretation and error correction, and variable initiative behavior for interacting with users of differing expertise. The book also details how different dialog problems in processing can be handled simultaneously, and provides instructions and in-depth result from pertinent experiments. Researchers and professionals in natural language systems will find this important new book an invaluable addition to their libraries.
