Grammar Express Marjorie Fuchs, Margaret Bonner, 2001 *Grammar Express* is an intermediate to high-intermediate text that features four-page units that present and practice key grammar points. The text's concise, easy-to-follow format is organized into 76 thematic units featuring: A cartoon or piece of realia presenting the target grammar in a meaningful context to raise student interest and involvement. Clear grammar charts presenting the target grammar in all its forms. Quick, self-access activities allowing students to discover the target grammar and manipulate its forms before they start studying its uses. Concise grammar explanations and multiple examples focusing on the meaning and uses of the target grammar. Two full pages of controlled practice exercises, including fill-ins, matching, multiple choice, and writing/editing skill builders. In addition, the text features: Fifteen SelfTests (one at the end of each part) offering additional opportunities for review and practice. A complete Answer Key to all self-check activities, practice exercises, and SelfTests. A dual platform CD-ROM (for PC and Macintosh) contains additional editing practice for in-class or self-study. The exercises include sentence-level and paragraph-level error correction correlated to every grammar point in the Student Book. *Grammar Express* has self-contained units that may be used in any order with any grammar course. It may be used as a classroom text or as a self-study handbook. This two-volume series combines a concise, easy-to-follow format- two pages of presentation followed by two pages to practice - to quickly bring English language learners up to speed.

Super Grammar Tony Preciado,2013-02-01 Think grammar is difficult? You just need someone to save you from it!The best learning tools for a young mind are word association, visual aids, and superpowers! In SUPER GRAMMAR, all of the major elements of grammar will be personified with superhero or super villain identities. You won't just learn about the part-of-speech called an adverb. Instead you'll meet the vibrant super heroine The Adverb, and you'll learn about her awesome ability to modify verbs and other adverbs. You won't simply be told that you shouldn't use a double negative in a sentence. Instead you'll actually meet the sinister twin brothers, Double Negative, and you'll learn how to avoid being tricked into falling for their double talk. The book's fun, full-color design

looks like a mix between a reference book and a comic book. With SUPER GRAMMAR you'll learn to save yourself!

Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Vijay Sharma, 2021-01-01 Learn English Grammar in 2 Weeks is a peerless book for those who are interested in having a written and spoken command of the English language. The fascination of this international language is unmatched. But it is replete with pitfalls which must be carefully avoided if one does not want to become a butt of laughter either in written or spoken English. Let us quote from the book itself; ♥♥A student of the English language ought to know the difference between 'English' and 'the English♥♥ This book is a treasure house of modern and current usage in English. As one flips through the pages of the book; one gains in knowledge and confidence The mystery of the English language unfolds itself in every page of this wonderful treatise. It is a single volume book that combines source grammar and practice exercises while explaining the rules of grammar and tackling seemingly contradictory rules. Since the book is for students of an Intermediary level, concise explanations are provided. It focuses on topics like grammar contrasts (whether to use 'would' or 'used to' in past tense construct) and grammar patterns for example will be going among others. What will you Learn from THE BEST BOOK OF ENGLISH GRAMMAR ✓ The book also explores more than hundred units of grammar concepts and each unit is allocated two pages. While the left hand page is filled with grammar concepts with concise examples, the facing page comprises of practice exercises. ✓ This format has been followed to ensure that each point is brief but comprehensive. ✓ The book has been designed in such a way that it gives students freedom to choose what unit they want to practice. ✓ The order of the book does not need to be strictly followed as it is a revision guide and each topic is complete and self contained. Therefore, a student can just begin from the middle of the book, concentrate on the unit he or she finds difficulty in. If a student gets stuck at a certain exercise.
