Las Palmas de Gran Canaria, Spain - City Map Jason Bates,2017-11-07 Looking for an easy-to-use, pocket city map that you can carry around with you, wherever you go without having to juggle with foldable maps that quickly turn into a complete mess? The Glob:us city maps is all you'll need to have the whole city within arm's reach: clear, black & white maps, at a comfortable scale, with all the points of interest included, plus a handy streets index, so that you'll never miss a thing again. So, are you ready for your next adventure?

Landscapes of Gran Canaria K. C. Nash,1989 Catering to both French and Dutch sensibilities (with a lot of American influences), this island is great for those who want a European or American vacation in a tropical location. The wealth of casinos, night spots and restaurants make this a no-brainer for Cruise Passengers and I Like Travelers. There are a few top-end resorts and a lot of French bistros to delight incurable romantics. And, with the array of watersports at Orient Beach, the zoo and the Butterfly Farm, the families will find it easy to plan outings for the kids. The duty-free havens of Phillipsburg and Marigot are enough to send shoppers into absolute ecstasy. Orient Beach, with its colorful umbrellas and lounges lined up in rows and the topless sunbathers languishing in the tropical breezes, is reminiscent of the French Riviera. Anse Marcel, with its collection of luxury hotels, is a beautiful harbor area with a tidy marina and a pretty beach. A Grand Case is one of the gastronomic centers of the Caribbean, with more quality French restaurants per square mile than you could find anywhere outside of Paris. The beaches around the southwestern edge of the island rival any found in the Leewards for powdery sand and gentle waves. And there is always plenty to do, as numerous companies offer all sorts of watersports and touring adventures. So if you want an island where you have access to everything the Caribbean offers - including beautiful beaches, glitzy casinos, great restaurants and a wide variety of activities - this is your place. Everything you need to know about where to stay, where to dine, and how to have fun is here. With color photos on every page.

Walking on Gran Canaria Paddy Dillon,2020-01-15 The guidebook describes 45 day walks across eight areas of Gran Canaria, including Las Palmas in the north to Playa del Ingles in the south. Also included is a five-day coast-to-coast route on the GR131, an island-hopping long-distance trail stretching across all seven of the Canary Islands. There are walks suitable for those of all abilities, ranging in landscape from coastal clifftops to the dramatic volcanic mountains inland. Walks venture through villages and towns, and up to the summits of the highest peaks on Gran Canaria. Each walk gives information on access (predominantly using the island's good bus services), details of places offering food and drink, and notes on the interesting features passed along the way. The book also provides lots of background information on geology, wildlife, plants and flowers as well as practical information on accommodation, currency and language. Gran Canaria is a hugely popular holiday destination but despite this it offers many peaceful locations for walkers to explore and some truly beautiful and striking scenery. This collection of walks showcases the island's remarkably varied landscapes - from arid semi-desert to moist laurisilva 'cloud forests' and rugged mountains and coast.

Trekking the GR20 Corsica Paddy Dillon,2022-05-15 This guidebook describes the classic GR20 trek, a north-to-south traverse of the rugged mountains of Corsica, renowned as Europe's toughest GR long-distance route. Described in 16 stages, some with high and low-level alternatives, the route is roughly 190km in length and takes approximately two weeks to complete. The GR20 climbs high into the mountains. It is a demanding trek suitable only for experienced walkers, and there are several steep 'hands-on-rock' sections calling for a sure foot and a good head for heights. It is possible to stay under a roof every night but many trekkers opt to camp. Step-by-step descriptions of each stage are accompanied by 1:50,000 mapping, together with information on ascent/descent, terrain and the availability of food, water and accommodation/shelter. There is also invaluable practical information such as path conditions, what to take, and getting to/from and around Corsica. Overviews of the history and geology of the island and local plants and wildlife are offered to enhance the trekking experience. Finally, a separate map booklet, included with the guide, provides all the 1:25,000 IGN mapping needed to complete the GR20. Starting in Corsica's northwest, in picturesque Calinzana, the route winds southeast through the heart of the island, finishing on the eastern side, just north of Porto Vecchio in the township of Conca. It showcases Corsica's rich diversity of landscapes and ethereal beauty. Bare rock and sheer cliffs contrast with black sand beaches, alpine pastures, maquis and pockets of forest. There are also opportunities to detour from the route to visit traditional mountain towns and villages for a taste of Corsica's vibrant history and culture and to take in neighbouring summits, including the island's highest peak, Monte Cinto. For those up to the challenge of hiking part or all of the route, the GR20 promises adventure, memorable experiences and rich rewards.
