Feng Shui and Health Nancy SantoPietro, 2002-02-26 Feng Shui and Health is a groundbreaking guide that aims to foster wellness through home furnishing placement and design. Readers will learn how they subconsciously recreate illness patterns in their homes through the placement and design, and how they are often drawn to rent and purchase homes that reflect all the emotional, spiritual, and physical underpinnings of their illness. Feng Shui and Health will include an introduction to the basic principles of Feng Shui as well more advanced information on our internal energy system, the Chakras. The book will also include information on common room layouts that can lead to illness & how to correct them; the role of color in health; and a multi-level approach to alleviating 18 common illnesses.

The Complete Feng Shui Health Handbook Wilhelm Gerstung & Jens Mehlhase, Translated by Christine M. Grimm, 2002-04 The Chinese art of Feng Shui has existed for more than 5,000 years-surrounded by a mysterious and mystical aura. Today, it is a well-known fact that invisible energies have a direct impact on our health and well-being. This fascinating Feng Shui handbook provides a wealth of graphics and practical information, which help design every home in such a way that it becomes a source of energy, allowing everybody to relax and re-energize himself. Wilhelm Gerstung and Jens Mehlhase are experienced Feng Shui practitioners and consultants. They explain how the invisible energies of Feng Shui can be directly measured and evaluated using an L-rod tensor (single-handed dowser) or pendulum. This means that you can use Feng Shui to understand many health problems by relating them to energy imbalances. The authors

integrate their many years of research and extensive knowledge of energies in the home, and particularly the sleeping area, with the Western science of underground watercourses and grids. They have advanced this knowledge in relation to Feng Shui. In their Complete Feng Shui Health Handbook, the authors show how to:

- Use an L-rod tensor or pendulum to detect harmful energies, especially in the sleeping environment, and improve the quality of this area by employing suitable remedies.
- Protect the sleeping environment and your home against negative energies and also enhance the positive energies within that space.
- Intensify the flow of Chi necessary for good health.
- Use the Chinese Lunar Calendar to discover those places in the house or apartment that are particularly unfavorable or threatening.

The Holistic Home Laura Benko, 2024-01-02 Rule the world and take control of your emotional and mental health from where you sit, stand, and sleep. The Holistic Home is based on an original lifestyle concept focused on creating a dynamic, healthy, and thoughtful space within yourself and your home by combining three planes of action—mind, body, and spirit—that result in profound change. The condition of the mind affects the psychology of how you dwell: subconscious influences, decorating with intention, and allowing your emotional issues and challenges to manifest in your space. The physical aspects of your design space, such as furniture positioning, design elements, sustainability, wellness, and organization, are representative of your relationship with your body. And finally, the spirit refers to all the invisible energies within you and your home—feng shui, atmosphere, and the soul of your home. Years ago, author and holistic feng shui expert Laura Benko was diagnosed with a rare cancer. Around that time, a book serendipitously

fell on her head. She took this as a much-needed sign to devote the next decade of her life to research and hundreds of transformative holistic design consultations. Her clients' real-life, inspiring stories, along with specific actions and tips, have become the foundation for The Holistic Home. Chapter by chapter, you'll learn how to holistically tackle it all—relationships, clutter, health, communities, inner balance, and more—by looking within your immediate environment to make direct connections in your life.

Feng Shui Made Easy Davina Mackail, 2018-09-25 Create powerful transformations in all aspects of your life with the time-tested wisdom of feng shui. People are increasingly looking to find balance in every aspect of their lives - including their homes. An expert in the ancient Chinese art of feng shui, Davina MacKail demystifies and debunks the myths surrounding feng shui and explains its principles in simple terms to help the reader achieve the ultimate goal: harmony in their home and life. In this book, readers will learn how our homes, and the objects in them, have a profound impact on all areas of our life, including career, relationships, and money. With clear, easy steps, readers will understand how to organize and arrange their home to heal a specific problem in their lives, cultivate a good energy flow in every room and let go of clutter for good in order to create a truly happy and harmonious home - a sanctuary of their own. Davina even explains how to buy and sell a home with feng shui. This book was previously published within the Hay House Basics series.

Feng Shui Davina MacKail, 2016 Can you really change your life by changing your artwork or moving your sofa? Feng Shui proves that not only is it possible and desirable but there are often unexpected bonuses too. Houses are not just a pile of inanimate bricks and

mortar; they are living, breathing entities that can be used in helping us attract more of what we want in life and less of what we don't want. Based on solid educational foundations and over 20 years of experience, Davina Mackail's Feng Shui aims to demystify and debunk the myths of this ancient and popular practice and get to the core principles. Davina explains how our homes have a remarkable impact on our relationships, health, finances and career, and shares how we can make profound changes to all these aspects of our lives by making small, simple changes in our home. In this book, readers will learn how to: . Clear clutter . Organize space . Get rid of geopathic and techno stress . Buy or sell their home in a harmonious and successful way Feng Shui translates ancient wisdom into practical tools for a modern lifestyle.

Good Fengshui Eva Wong,2023-06-06 Fengshui master Eva Wong breaks it down for beginners. This easy-to-use, fengshui 101 guide to the ancient practice will give you invaluable advice as you choose or build a home—and bring positive, healthy energy to your existing home, office, or garden. Enhance the energy of your home, workplace, or

garden using the principles of the Taoist art of fengshui. This primer will teach you to bring harmonizing, beneficial energy into any space. Taoist arts master Eva Wong introduces readers to the powerful traditional system of fengshui. It is not simply a list of directives for arranging interiors for good luck—it is the art of reading the patterns of the universe and living in harmony with the environment. Bedrooms with good fengshui maximize health and minimize illnesses. Home offices with good fengshui facilitate business vision and accumulation of wealth. Even garages, driveways, and gardens can affect our health, livelihood, and the way we interact with the world. Whether you are buying, renting, or renovating a home—or you want to change the atmosphere and energy of the home you are in—Wong will teach you to identify and work with the possibilities and limitations of your space. In this concise book, Wong explains the essential principles and guidelines of fengshui; offers tips for home buyers, including architectural positives and negatives, and neighborhood perks and challenges; shows you how to assess your indoor and outdoor spaces; and much more. As the owner of a construction and engineering business, Wong's recommendations are practical, safe, and economical.
