The Funeral of Mr. Wang Andrew B. Kipnis,2021-07-27 A free open access ebook is available upon publication. Learn more at [www.luminosoa.org](http://www.luminosoa.org). In rural China funerals are conducted locally, on village land by village elders. But in urban areas, people have neither land for burials nor elder relatives to conduct funerals. Chinese urbanization, which has increased drastically in recent decades, involves the creation of cemeteries, state-run funeral homes, and small private funerary businesses. The Funeral of Mr. Wang examines social change in urbanizing China through the lens of funerals, the funerary industry, and practices of memorialization. It analyzes changes in family life, patterns of urban sociality, transformations in economic relations, the politics of memorialization, and the echoes of these changes in beliefs about the dead and ghosts.

*When Cinderella Falls Down Dead* Joshua Gabe,Grayian Phoenix,2008-04 Once upon a time: Christina was your average spunky teenager going through high school armed with only her wit, and her best friend Gloria. Soon the Goth duo finds themselves consistently in and out of the law. This is of course because Gloria's father is the Chief of police. Finally it seems that luck has finally smiled on the best friends, when they are offered a chance to be part of the Junior Detectives (think CSI for teenagers). Soon Christina and Gloria find out there is more to police work than donuts and coffee breaks. When our hero's soon learn some of the towns people will kill to keep their secrets dead and buried. What ensues is a hilariously clever thriller that puts a black comedy spin on an age old classic Cinderella. Tagline: Some fairy tales were never meant to be real! Praise for *When Cinderella Falls Down Dead*. I know I should go to bed and turn the light off, but the pages keep turning themselves (Michelle Smythe MA). If this book hasn't got a place on your bookshelf yet, you obviously haven't read enough of it (Henry C. The Highlands). It was a fun, and fast read. I am definitely going to recommend it (Nicole B. Digital Initiatives).

*Early China Coast Meteorology* P. Kevin MacKeown,2011-01-01 Numerous personality clashes and financial and other intrigues surrounded the early efforts to set up an Observatory in Hong Kong. Blending personalities, politics and practicalities of studying the weather, this entertaining book provides valuable and informative insights into the public and private controversies growing out of responses to and responsibilities involved in the protection of life and property. This portrait is set firmly in the context of the history of Hong Kong as British colony on the China Coast and its role as a burgeoning commercial port within the trading complex of the Empire. It brings to life many of the people and institutions in Hong Kong and elsewhere on the development of meteorology on the China Coast. Dr. William Doberck, who became the founding director of the new Observatory, played a crucial role in its development during most of forty years covered by this story. Doberck was an astronomer with little interest in meteorology and a penchant for not suffering gladly those whom he considered to be his inferiors -- a source of much of the dissension and adversarial positions that characterized his career. In the early years of Doberck's tenure, many trials and tribulations arose from conflicts between his views on his work and those of a less than enlightened but firmly entrenched Colonial Administration. Other key players added to the mix include the local print media, local businesses and the shipping fraternity, whose ongoing dissatisfaction stemmed from conflicting perceptions and expectations on all sides. In assessing the achievements of the Observatory in its early decades, the study of typhoons has central importance. In recounting Doberck's less than stellar

contributions in this regard, he narrative follows many snippets of scandal concerning Doberck and his often cantankerous relationship with his employers and the other stakeholders in the Colony. In later chapters, the author explores the complex dynamics of the contentious interactions between Doberck and the Jesuits in charge of the Manila and Zikawei Observatories. The storms that rage in the narrative as well as the tragedy of the very real storm of 1906 illustrate the drama that played out both locally and internationally in terms of jealousies, rivalries, and many attendant charges and counter-charges animating the controversy. The depiction of Doberck's eventual departure and succession story offer insight into the largely uncredited contribution of his sister to the meteorological work of the Observatory for around 40 years. Under Doberck's successors, Figg and Claxton, the Observatory enjoyed a resurgence of influence in meteorology in the China coast region. P. Kevin MacKeownis retired professor of physics at the University of Hong Kong.

**Revelation 9** Harold Covington,2001-01-09 For over a century, the wealthy and powerful Bogan family ruled Mungo County, South Carolina with an iron hand. They were doctors, lawyers, politicians, landowners, socialites, industrialists and businessmen. They were also killers, bullies, rapists, sweatshop mill operators, bootleggers and gangsters, poisoners and devil-worshippers. Cross a Bogan and your fields, your barn or your house went up in smoke one night. Fight back and you got a bullet. The law was not merely helpless, the Bogans owned the law. Finally in 1946, the Bloody Bogan line came to an end in a final paroxysm of murder and suicide. Or so the people of Mungo County thought. Amy Anderson is a gentle and devoutly religious young woman, who suddenly learns that she has inherited a vast fortune and a large mansion in Mungo County. But with this sudden wealth comes the curse of the Bloody Bogans, not just a legacy of cruelty and violence and murder, but of satanic occult terror as well. A hundred and fifty years ago, in a shunned and eerie stand of Carolina pines, old Josh Bogan made a bargain with Something and founded the family's fortune. Now Amy Anderson has inherited that bargain and payment is due. Amy and her new husband must fight for their lives, their sanity, and their immortal souls in a house wherein lurks an evil that was old when time itself began.
