Power Vocabulary Builder R. Michelle Ranken,Enrica Tan,2017-09-23 This book series was developed with the objective of helping language learners - especially those who are preparing for the GRE/SAT - master vocabulary words that are commonly found on the test. Power Vocabulary Builder is the first volume in a language-learning series designed to help you master common GRE/SAT vocabulary. This book is different from those with similar objectives because you'll learn GRE/SAT vocabulary words with the help of 10 mini-stories and extensive practice sets that were developed by English-language experts. Typically, language learners will learn new vocabulary with the use of a dictionary or flashcards. However, we think that reading stories and learning by association is a much more enjoyable way to learn new words than reading straight out of a dictionary.Perhaps most importantly, we believe that learning should be fun! We'd like to wish you good luck in your language-learning endeavors, whether or not you are planning to take the GRE or SAT!- Royal Oxford Language Academy
