Great Expectations Charles Dickens,2011-08-31 One of Charles Dickens's most fascinating novels, *Great Expectations* follows the orphan Pip as he leaves behind a childhood of misery and poverty after an anonymous benefactor offers him a chance at the life of a gentleman. From the young Pip's first terrifying encounter with the convict Magwitch in the gloom of a graveyard to the splendidly morbid set pieces in Miss Havisham's mansion to the magnificently realized boat chase down the Thames, *Great Expectations* is filled with the transcendent excitement that Dickens could so

abundantly provide. Written in 1860, at the height of his maturity, it also reveals the novelist's bittersweet understanding of the extent to which our deepest moral dilemmas are born of our own obsessions and illusions. This edition includes Dickens's original, discarded conclusion to the novel, the 1907 Everyman preface by G. K. Chesterton, and twenty illustrations by F. W. Pailthorpe.

The Charles Dickens Collection Charles Dickens, 2018-02-09 A collection of the three best Charles Dickens novels: *A Christmas Carol*, *A Tale of Two Cities*, and *Oliver Twist*. Charles Dickens was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded by many as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the 20th century critics and scholars had recognised him as a literary genius. His novels and short stories enjoy lasting popularity. Born in Portsmouth, Dickens left school to work in a factory when his father was incarcerated in a debtors' prison. Despite his lack of formal education, he edited a weekly journal for 20 years, wrote 15 novels, five novellas, hundreds of short stories and non-fiction articles, lectured and performed readings extensively, was an indefatigable

letter writer, and campaigned vigorously for children's rights, education, and other social reforms.

Mister Pip Lloyd Jones, 2011-04-04 Lloyd Jones' new novel is set mainly in a small village on Bougainville, a country torn apart by civil war. Matilda attends the school set up by Mr Watts, the only white man on the island. By his own admission he's not much of a teacher and proceeds to educate the children by reading them *Great Expectations*. Matilda falls in love with the novel, strongly identifying with Pip. The promise of the next chapter is what keeps her going; Pip's story protects her from the horror of what is happening around her - helicopters menacing the skies above the village and rebel raids on the ground. When the rebels visit the village searching for any remaining men to join their cause, they discover the name Pip written in the sand and instigate a search for him. When Pip can't be found the soldiers destroy the book. Mr Watts then encourages the children to retell the story from their memories. Then when the rebels invade the village, the teacher tells them a story which lasts seven nights, about a boy named Pip, and a convict . . .
