**The Coach's Guide to Teaching** Doug Lemov,2020-12-07 The mark of a great coach is a constant desire to learn and grow. A hunger to use whatever can make them better. The best-selling author of Teach Like a Champion and Reading Reconsidered brings his considerable knowledge about the science of classroom teaching to the sports coaching world to create championship caliber coaches on the court and field. What great classroom teachers do is relevant to coaches in profound ways. After all, coaches are at their core teachers. Lemov knows that coaches face many of the same challenges found in the classroom, so the science of learning applies equally to them. Unfortunately, coaches and organizations have a mixed level of understanding of the research and study of the science of learning. Sometimes coaches and organizations build their teaching on myths and platitudes more than science. Sometimes there isn't any science applied at all. While there are thousands of books and websites a coach can consult to better understand technical and tactical aspects of the game, there is nothing for a coach to consult that explicitly examines the teaching problems on the field, the court, the rink, and the diamond. Until now. Intended to offer lessons and guidance that are applicable to coaches of any sporting endeavor including everyone from parent volunteers to professional coaches and private trainers, Lemov brings the powerful science of learning to the arena of sports coaching to create the next generation of championship caliber coaches.

**Jimmy Dykes: The Film Doesn't Lie** Jimmy Dykes,Rece Davis,2020-03-03 Elite level coaches, business owners, CEOs and difference-makers from all walks of life share a common trait: they are masters at the process of evaluating. Film sessions are the life blood of any successful sports team, whether following a soaring win or a crushing loss. Nothing goes unchecked, and nothing gets taken for granted. They understand and respect a simple fact: the film doesn't lie. If you watched your personal game film, would it show someone who is accountable to himself and his family, who

turns belief into action? Or would you see someone complacent, out of balance or distracted from God's word? Film reveals the truth, and embracing truth is what leads to change, growth, and improvement. ESPN broadcaster and coach Jimmy Dykes guides readers through a tough but crucial evaluation process, incorporating wisdom from both sports and scripture as he demonstrates how to search your heart like a coach scrutinizes game film. Whether you're experiencing a difficult period in life or simply feel called to something greater, The Film Doesn't Lie is certain to provoke men to live with passion, conviction, and bold determination.
