*The Translation Style of Old Greek Habakkuk* James A.E. Mulroney,2016-06-17 How did the translator of the Septuagint (Old Greek) book of Habakkuk interpret his Hebrew base text? James A. E. Mulroney analyzes the Greek style of the book and offers an extended analysis of present methodological issues in the field of Septuagint studies. - back of the book

Special Section, Shakespeare and Montaigne Revisited Graham Bradshaw,T. G. Bishop,Peter Holbrook,2006-01-01 This year including a special section on Shakespeare and Montaigne Revisited, The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies. Contributors to this issue come from the US and the UK, Canada, Sweden, Japan and Australia. This issue includes an interview with veteran American actor Alvin Epstein during his recent acclaimed performance of King Lear for the Actors' Shakespeare project in Boston.

*GREEK PHRASEBOOK 5* Lonely Planet,Lonely Planet Publications,2013 Anyone can speak another language! It's all about confidence. Aristotle, Homer, Plato, Sappho, Herodotus and Alexander the Great can't all be wrong in their choice of language.

**Alternate Delimitations in the Hebrew and Greek Psalters** Paul J. Sander,2020-07-07 Numerous Greek and Hebrew manuscripts of the book of Psalms combine and split several psalms in ways that are not found in a modern bible. Paul J. Sander explores the literary and theological interpretative possibilities created by these alternate delimitations of the biblical text. -- Provided by publisher

**A Companion to Byzantium and the West, 900-1204** ,2021-12-06 This book explores the complex history of contact and exchange between Byzantium and the Latin West over a formative period of more than three hundred years, with a focus on the political, ecclesiastical and cultural spheres.

Emanuel Shalom M. Paul,Robert A. Kraft,Lawrence H. Schiffman,Weston W. Fields,2015-02-04 This volume honors the lifetime of scholarly contribution and leadership of Professor Emanuel Tov, Judah L. Magnes professor of Bible at the Department of Bible, the Hebrew University of Jerusalem. Colleagues from all over the world have contributed significant studies in the three areas of Tov's primary interest and expertise: the Hebrew Bible, its Greek translations, and the Dead Sea Scrolls. This Festschrift is a fitting tribute to one of the generation's leading scholars, whose dedicated efforts as editor-in-chief have brought about the complete publication of the Dead Sea Scrolls.

*The Cambridge History of Medieval Monasticism in the Latin West* Alison I. Beach,Isabelle Cochelin,2020-01-09 Monasticism, in all of its variations, was a feature of almost every landscape in the medieval West. So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds. While there is enormous interest in medieval monasticism among Anglophone scholars, language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe. The Cambridge History of Medieval Monasticism in the Latin West offers a comprehensive treatment of medieval monasticism, from Late Antiquity to the end of the Middle Ages. The essays, specially commissioned for this volume and written by an international team of scholars, with contributors from Australia, Belgium, Canada, England, France, Germany, Italy, the Netherlands, Spain, Switzerland, and the United States, cover a range of topics and themes and represent the most up-to-date discoveries on this topic.

**The King James Version at 400** David G. Burke,John F. Kutsko,Philip H. Towner,2013-10-14 In this collection of essays, thirty scholars from diverse

disciplines offer their unique perspectives on the genius of the King James Version, a translation whose 400th anniversary was recently celebrated throughout the English-speaking world. While avoiding nostalgia and hagiography, each author clearly appreciates the monumental, formative role the KJV has had on religious and civil life on both sides of the Atlantic (and beyond) as well as on the English language itself. In part 1 the essayists look at the KJV in its historical contexts—the politics and rapid language growth of the era, the emerging printing and travel industries, and the way women are depicted in the text (and later feminist responses to such depictions). Part 2 takes a closer look at the KJV as a translation and the powerful precedents it set for all translations to follow, with the essayists exploring the translators’ principles and processes (with close examinations of “Bancroft’s Rules” and the Prefaces), assessing later revisions of the text, and reviewing the translation’s influence on the English language, textual criticism, and the practice of translation in Jewish and Chinese contexts. Part 3 looks at the various ways the KJV has impacted the English language and literature, the practice of religion (including within the African American and Eastern Orthodox churches), and the broader culture. The contributors are Robert Alter, C. Clifton Black, David G. Burke, Richard A. Burridge, David J. A. Clines, Simon Crisp, David J. Davis, James D. G. Dunn, Lori Anne Ferrell, Leonard J. Greenspoon, Robin Griffith-Jones, Malcolm Guite, Andrew E. Hill, John F. Kutsko, Seth Lerer, Barbara K. Lewalski, Jacobus A. Naudé, David Norton, Jon Pahl, Kuo-Wei Peng, Deborah W. Rooke, Rodney Sadler Jr., Katharine Doob Sakenfeld, Harold Scanlin, Naomi Seidman, Christopher Southgate, R. S. Sugirtharajah, Joan Taylor, Graham Tomlin, Philip H. Towner, David Trobisch, and N. T. Wright.

*Collins Greek Phrasebook and Dictionary*, 2008

**XV Congress of the International Organization for Septuagint and Cognate Studies** Wolfgang Kraus, Michaël N. van der Meer, Martin Meiser, 2016-08-26 Essays from experts in the field of Septuagint studies The study of Septuagint offers essential insights in ancient Judaism and its efforts to formulate Jewish identity within a non-Jewish surrounding culture. This book includes the papers given at the XV Congress of the International Organization for Septuagint and Cognate Studies (IOSCS), held in Munich, Germany, in 2013. The first part of this book deals with questions of textual criticism. The second part is dedicated to philology. The third part underlines the increasing importance of Torah in Jewish self-definition. Features: Essays dealing with questions of textual criticism, mostly concerning the historical books and wisdom literature and ancient editions and translations Philological essays covering the historical background, studies on translation technique and lexical studies underline the necessity of both exploring general perspectives and working in detail

*Translation and Style in the Old Greek Psalter* Jennifer Brown Jones, 2021-11-15 While some describe the Greek Psalter as a “slavish” or “interlinear” translation with “dreadfully poor poetry,” how would its original audience have described it? Positioning the translation within the developing corpus of Jewish-Greek literature, Jones analyzes the Psalter’s style based on the textual models and literary strategies available to its translator. She demonstrates that the translator both respects the integrity of his source and displays a sensitivity to his translation’s performative aspects. By adopting recognizable and acceptable Jewish-Greek literary conventions, the translator ultimately creates a text that can function independently and be read aloud or performed in the Jewish-Greek community.

**The Book of Revelation and Early Jewish Textual Culture** Garrick V. Allen, 2017-07-03 The Book of Revelation and Early Jewish Textual Culture explores the relationship between the writing of Revelation and its early audience, especially its interaction with Jewish Scripture. It touches on several areas of

scholarly inquiry in biblical studies, including modes of literary production, the use of allusions, practices of exegesis, and early engagements with the Book of Revelation. Garrick Allen brings the Book of Revelation into the broader context of early Jewish literature, including the Dead Sea Scrolls and other important works. Arguing that the author of the New Testament Apocalypse was a 'scribal expert, someone who was well-versed in the content of Jewish Scripture and its interpretation', he demonstrates that John was not only a seer and prophet, but also an erudite reader of scripture.

*Eleni's Greek Phrase Book* Eleni Maria Georgiou, 2018-07-13 --The Perfect Digital Companion for Learning and Travel--Do you want to learn how to speak Greek? Oegema -- Sexuality in the Apocrypha / William Loader -- Biblical theology and the Apocrypha / David A. deSilva.

**Translations of Greek Tragedy in the Work of Ezra Pound** Peter Liebrechts, 2019-10-03 Turning the tables on the misconception that Ezra Pound knew little Greek, this volume looks at his work translating Greek tragedy and considers how influential this was for his later writing. Pound's work as a translator has had an enormous impact on the theory and practice of translation, and continues to be a source of heated debate. While scholars have assessed his translations from Chinese, Latin, and even Provençal, his work on Greek tragedy remains understudied. Pound's versions of Greek tragedy (of Aeschylus' Agamemnon, and of Sophocles' Elektra and Women of Trachis) have received scant attention, as it has been commonly assumed that Pound knew little of the language. Liebrechts shows that the poet's knowledge of Greek was much more comprehensive than is generally assumed, and that his renderings were based on a careful reading of the source texts. He identifies the works Pound used as the basis for his translations, and contextualises his versions with regard to his biography and output, particularly The Cantos. A wealth of understudied source material is analysed, such as Pound's personal annotations in his Loeb edition of Sophocles, his unpublished correspondence with classical scholars such as F. R. Earp and Rudd Fleming, as well as manuscript versions and other as-yet-unpublished drafts and texts which illuminate his working methodology.

*The Rough Guide Greek Phrasebook* Lexus (Firm), 2006 Impress your friends, and the locals with the help of this pocket-sized Rough Guide Greek Phrasebook. With A-Z English to Greek and A-Z Greek to English translations, this thoroughly revised third edition will have you speaking the language even before you arrive.
