Greek Words in the English Language Athanase (Tom) Tzouchas, 2009-09 Having studied ancient Greek and Latin as a young man, while growing up in Greece, the author learned to analyze the Greek language. This eventually led him to the eureka idea of creating the present volume. With over 4,000 Greek words to be found in the English language, the English-speaking reader is encouraged to take advantage of those similarities in order to easily learn to speak Greek. And for Greek speakers, it will help to increase their English vocabulary. Understanding Greek words and their roots can help in learning other languages as well. For example, in Greek one says *demokratia*; 'in English, *democracy*; 'in French, *democratie*; 'and in Spanish, *democracia*.' Every Greek person should own this book! Feel the pride, and enjoy.

Greek Vocabulary Book Pinhok Languages, 2019-05-14 Greek vocabulary book + Greek dictionary This Greek vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Greek-English as well as English-Greek dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Greek learning resource is a combination of Greek vocabulary book and a two-way basic Greek dictionary: Part 1 - Topic based Greek vocabulary book: This is the main part of the book and represents a list of chapters each containing Greek vocabularies for a certain topic. The Greek vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Greek dictionary: The index in the second half of the book can be used as a basic Greek dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Greek-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Greek words and directly find the English translation How to use this Greek vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for

basic communication. The Greek dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Greek translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Greek dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Greek and comes in particularly handy at times when there is no internet to look up words and phrases.
