**Liberated Spirits** Hugh Ambrose,John Schuttler,2018 A provocative new take on the women behind a perennially fascinating subject--Prohibition--by bestselling author and historian Hugh Ambrose. The passage of the 18th Amendment (banning the sale of alcohol) and the 19th (women's suffrage) in the same year is no coincidence. These two Constitutional Amendments enabled women to redefine themselves and their place in society in a way historians have neglected to explore. *Liberated Spirits* describes how the fight both to pass and later to repeal Prohibition was driven by women, as exemplified by two remarkable women in particular. With fierce drive and acumen, Mabel Willebrandt transcended the tremendous hurdles facing women lawyers and was appointed Assistant Attorney General. Though never a Prohibition campaigner, once in office she zealously pursued enforcement despite a corrupt and ineffectual agency. Wealthy Pauline Sabin had no formal education in law or government but she too fought entrenched discrimination to rise in the ranks of the Republican Party. While Prohibition meant little to her personally--aristocrats never lost access to booze--she seized the fight to repeal it as a platform to bring newly enfranchised women into the political process and compete on an equal footing with men. Along with a colorful cast of supporting characters, from rumrunners and Prohibition agents on the take to senators and feuding society matrons, *Liberated Spirits* brings the Roaring Twenties to life in a brand new way.

*Lost in Sin* Jason Rangel,2021-08-06 Jason Rangel had lost everything...his wife, his home, and his children because of his addictions and

infidelities. He was lost to the world, and there was no coming back. He was swaying at the point of no return. He had given his life to God at just five years old, but then in his teens, he turned away from his faith. He had been told multiple times that he had a call on his life to be a pastor. But the enemy was out to kill, steal, and destroy him so he could never be what God had called him to be. He was lost in sin, and in his darkest hour, contemplating taking his own life, God reached out and saved him. His story has been shared with millions and is a true testament of God's love and saving grace.
