Heritage Language Development Kimi Kondo-Brown,2006-01-01 This collection of studies investigates the individual, micro-psychological, and macro-societal factors that promote or discourage the development of child and young adult heritage language learners' spoken and written skills in East Asian languages (Chinese, Japanese, and Korean). The research presented in this book is based on empirical data from various learning and social settings in the United States and Canada. The contributors are themselves mostly from East Asian immigrant backgrounds and have worked closely with students from such backgrounds. This book also speaks to the needs for future research within East Asian communities that will (a) promote East Asian heritage language development in applied linguistics, (b) encourage parental, community, and national support for East Asian heritage language development, and (c) improve the teaching of oral and written skills for heritage learners of East Asian languages in various educational settings.

Greeting Cards from A to Z Jeanette Robertson,2006 From dimensional applique to lively, eye-catching zig-zag designs, these greeting card techniques will delight the creative crafter in search of inspiration. It's not a collection of projects, but an encyclopedia chock-full of fabulous ideas that card makers can use in whatever way they want, for whatever type of card they need. There's so much to select from: fast, easy, and elegant die-cut cards; foam cutouts posted on colorful patterned papers; lacy greetings that incorporate doilies; and even sparkling, bejeweled ones. In addition to all the basics on tools, there's information on choosing cardstock; selecting pretty embellishments; and making personalized envelopes.

Select Poems of William Barnes William Barnes,1908 Select Poems of William Barnes by Thomas Hardy, first published in 1908, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.
Colloquies Desiderius Erasmus,1997-01-01 Erasmus' Familiar Colloquies grew from a small collection of phrases, sentences, and snatches of dialogue written in Paris about 1497 to help his private pupils improve their command of Latin. Twenty years later the material was published by Johann Froben (Basel 1518). It was an immediate success and was reprinted thirty times in the next four years. For the edition of March 1522 Erasmus began to add fully developed dialogues, and a book designed to improve boys' use of Latin (and their deportment) soon became a work of literature for adults, although it retained traces of its original purposes. The final Froben edition (March, 1533) had about sixty parts, most of them dialogues. It was in the last form that the Colloquies were read and enjoyed for four centuries. For modern readers it is one of the best introductions to European society of the Renaissance and Reformation periods, with lively descriptions of daily life and provocative discussions of political, religious, social, and literary topics, presented with Erasmus's characteristic wit and verve. Each colloquy has its own introduction and full explanatory, historical, and biographical notes. Volumes 39 and 40 of the Collected Works of Erasmus series - Two-volume set.
Reginald Peacock's Book of Faith Reginald Pecock,1909
A Concordance to the Complete Works of Geoffrey Chaucer and to the Romaunt of the Rose John Strong Perry Tatlock,Arthur Garfield Kennedy,1927
