As you learn, loads of challenges and open-ended projects will inspire you to try out ideas.

⚏ **Hub Perdue** John A. Simpson,2013-10-09 A strong-armed devastating spitball pitcher from rural Tennessee who once won 16 games with the Boston Braves, Hub Perdue is better remembered today as one of the clown princes of the Deadball Era. Often compared with fellow player-comedians Germany Schaefer, Nick Altrock, and Rabbit Maranville, Perdue had a quick wit and a rebellious streak that amused teammates but sometimes led to conflicts with management and umpires. (Mix 'em up! manager George Stallings had told him, encouraging the weak-hitting pitcher to take his at-bats more seriously; Perdue, a right-hander, dutifully took his strikeouts from alternating sides of the plate.) His penchant for the subversive--he was also a players' union representative who freely dispensed advice on contracts and negotiation--might in fact have curtailed what had been a promising big league career. But his antics in the majors and minors became the stuff of legend, known as Hublore.

'Brilliant.' said Mark Lawson on BBC2's The Late Review; 'This is a terrific piece of work - learned, entertaining, funny, stimulating' said Jonathan Meades in The Evening Standard.But now the world's best single-volume dictionary

of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project: to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material. The research has thrown up some fascinating results
