Wal-Mart: The Bully of Bentonville Anthony Bianco,2009-03-12 The largest company in the world by far, Wal-Mart takes in revenues in excess of \$280 billion, employs 1.4 million American workers, and controls a large share of the business done by almost every U.S. consumer-product company. More than 138 million shoppers visit one of its 5,300 stores each week. But Wal-Mart's "everyday low prices" come at a tremendous cost to workers, suppliers, competitors, and consumers. The Bully of Bentonville exposes the zealous, secretive, small-town mentality that rules Wal-Mart and chronicles its far-reaching consequences. In a gripping, richly textured narrative, Anthony Bianco shows how Wal-Mart has driven down retail wages throughout the country, how their substandard pay and meager health-care policy and anti-union mentality have led to a large scales exploitation of workers, why their aggressive expansion inevitably puts locally owned stores out of business, and how their pricing policies have forced suppliers to outsource work and move thousands of jobs overseas. Based on interviews with Wal-Mart employees, managers, executives, competitors, suppliers, customers, and community leaders, The Bully of Bentonville brings the truths about Wal-Mart into sharp focus.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his

powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
