Goal Getter Planners

The Daily Goal Tracker Romney Nelson, 2019-09 The Daily Goal Tracker has been designed with one key purpose: To develop an easy to follow resource that enables you to develop your goals, establish supportive daily habits and then to take daily action to ACHIEVE YOUR GOALS. The Daily Goal Tracker starts with an easy 3 step guide that helps you to establish you goals and then to develop supportive daily habits that provide the daily structure and mindset to achieve everything you want. The journal will help you to track your progress on a daily, weekly and monthly cycle with a self-audit completed at the conclusion of each 7 days. At the conclusion of 30 days, you will conduct a more in-depth review that tracks your self-education, health, wealth and your biggest achievements. This journal will not only inspire you to achieve amazing things, but create an excellent reflective experience so you can enjoy your journey. By using the Daily Goal Tracker each day, you'd be amazed at what you have the capacity to achieve. For many, life feels like a blur, participating in tasks that are 'reactive' rather than 'proactive' and living with an unclear destination. Establishing a daily structure that you can note your daily micro actions, thoughts, gratitude, reflections and aspirations will provide an incredible opportunity for you to move closer to your goals every single day. The most important disclaimer for this journal; you must make an absolute commitment to set aside 5 minutes each morning over 6 days and 10 minutes at the end of each 7 days to complete your weekly Goal Tracker. Without daily action, the journal will not serve its purpose and your results will remain flatlined. Remember, the commitment of just 5 minutes p/day or 35 mins p/week will have a lifelong positive impact on what you can achieve. If you can't

set aside just 35 minutes p/week for personal growth, it's clear you don't have the focus you require to achieve what you want. You must develop such a strong 'REASON' for each and every goal that you will commit to your written entries so you can Create, Track and Achieve everything you have always wanted with The Daily Goal Tracker.
