Lucien Canton

The Guard James Slaton,2001-12 With rising crime rates and frequent terrorist attacks, the government abolishes states' rights and creates a national police force. Without the bureaucratic red tape of the now eliminated state and local law enforcement agencies, and under the iron hand of a corrupt federal police force, the crime rate drops dramatically. At first, the citizens are pleased with the changes in spite of losing some of their civil liberties. Eventually, dissention and unrest develops among the more liberal minded, but the dissenters are singled out and banished from government in an effort to stop the rebellion. Jack and Nolan Treece must now try to save what's left of American freedom. Thus begins a struggle between two factions that draws the Treece brothers deeper into the realm of THE GUARD.

The Story of the Guard Jessie Benton Frémont,1863 Details the experiences of John C. Frémont's Body Guard during the Civil War in Missouri.

Brazilian Jiu-Jitsu BJ Penn,Erich Krauss,Dave Camarillo,Glen Cordoza,2009-08-10 BJ PENN—UFC World Champion, Jiu-Jitsu World Champion, and best-selling author of Mixed Martial Arts: The Book of Knowledge—sheds new light on the sport of Brazilian Jiu-Jitsu with this unprecedented examination of the closed guard. Through step-by-step color photographs and descriptive narrative, Penn shares his elaborate system for gaining control of your opponent's body while fighting off your back, and then unleashes more than eight fight-ending submissions. He divulges his most vicious strangleholds, including collar chokes, arm chokes, and triangle chokes. He demonstrates how to apply bone-breaking pressure to your opponent's wrist, elbow, and shoulder using his most ruthless straight arm bars, inverted arm bars, kimura locks, Americana locks, and omaplata locks. And to ensure your offense never gets shut down, Penn unveils your opponent's most common submission defenses, and then teaches you how to capitalize on that defense by transitioning into secondary submissions and a host of sweeps. Detailing dozens of ways to chain your attacks together to form fluid combinations, this book leaves no stone unturned. Whether you are new to the grappling arts or an experienced practitioner, Brazilian Jiu-Jitsu: The Closed Guard will take your game to the next level.

Stand on Guard Stephanie Carvin,2021-06-01 In Stand on Guard, Stephanie Carvin sets out to explain the range of activities considered national security threats by Canadian security services today. As new forms of terrorism and extremism appear, especially online, we need a responsibly widened view of such threats and how they manifest in the contemporary world. Canadians should not be more fearful, Carvin explains, but a more sophisticated understanding among security services personnel and the general public is needed if we are to anticipate and ameliorate threats to national security. As a former security analyst tasked with providing threat assessments to high levels of government, Carvin writes with both authority and urgency. Her book presents an insider's look at the issues facing the Canadian security and intelligence community. Timely and accessible, Stand on Guard will be required reading for scholars, practitioners, and any Canadian concerned about national security in the twenty-first century.
