What Car Would You Drive If ... ? Larry

Collingwood,2010-09-07 This book brings to readers a close look at car brands that millions are familiar with, such as Ford, Chevrolet, and Buick to name a few. It is written to entertain readers as they reminisce or learn about various models and their manufacturers. In the first part of the question, readers are encouraged to finish it with a clue to identify the name of the model of the car, and a hint is added for further assistance. Sometimes, tips are provided to consider in which chapter the question appears-following in alphabetical order. The second part of each question will give readers multiple choices to help determine the maker of the car in question. For the most part, only one choice will be correct. However, there are a couple of instances where more than one maker has used a model name. In those cases, all manufacturers will be given in the choices.

Cars Matthew Harper,2014-06-28 Hi and a very warm welcome to Cars. A Fascinating Book Containing Car Facts,

Trivia, Images & Memory Recall Quiz: Suitable for Adults & Children. I'm one of those people who loves to hear about extraordinary facts or trivia about anything. They seem to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the WoW factor but for some reason my brain seems to store at least some of it for a later date. I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Amazon seems to work well, particularly with children. This edition includes a selection of those WoW facts combined with some pretty awesome pictures, if I say so myself! At the end there is a short True or False quiz to check memory recall and to help cement some of the information included in the book. Don't worry though, it's a bit of fun but at the same time, it helps to check your understanding. Please note that if you're an expert on this subject then you may not find anything new here. If however you enjoy hearing sensational and extraordinary trivia and you like looking at some great pictures then I think you'll love it. Matt.
