**Building an Ensemble Using IBM zEnterprise Unified Resource Manager** Bill White, Elsie Ramos, Octavian Lascu, Mike Ebberts, Paola Bari, Gwen Dente, Wolfgang Fries, Marian Gasparovic, Brian Hatfield, Jeff McDonough, Iain Neville, Giancarlo Rodolfi, Thomas Schulze, Paul Sutera, Qi Ye, Richard Young, IBM Redbooks, 2012-12-12 For the first time it is possible to deploy an integrated hardware platform that brings mainframe and distributed technologies together: a system that can start to replace individual islands of computing and that can work to reduce complexity, improve security, and bring applications closer to the data that they need. With the zEnterprise System a new concept in IT infrastructures is being introduced: zEnterprise ensembles. A zEnterprise ensemble is a collection of highly virtualized diverse systems that can be managed as a single logical entity where diverse workloads can be deployed. Ensembles, together with the virtualization, flexibility, security, and management capabilities provided by the zEnterprise System are key to solving the problems posed by today's IT infrastructure. The zEnterprise System consists of three components: - IBM® zEnterprise Central Processor Complex (CPC) The zEnterprise CPC can either be a zEnterprise 196 (z196) or a

zEnterprise 114 (z114). Both zEnterprise CPCs offer z/OS, z/VSE, and z/TPF operating systems, as well as the ability to run many virtualized Linux servers under the z/VM operating system. - IBM zEnterprise BladeCenter Extension (zBX) The zBX provides the capability to run the wide variety of applications typically found in UNIX and x86 architectures. The zBX supports select POWER7 blades running AIX and System x blades running Linux on System x and Microsoft Windows. - IBM zEnterprise Unified Resource Manager Unified Resource Manager runs in the Hardware Management Console (HMC). It provides integrated management across all elements of the zEnterprise System. This IBM Redbooks® publication discusses how to plan and implement an ensemble, using the zEnterprise Unified Resource Manager. This book assumes a knowledge of IT systems, networks, and storage devices.

Why are 1997 dollar bills worth more than 1980 dollar bills? In a box there are 20 balls, 10 white and 10 black. With a blindfold on, what is the least number you must draw out in order to get a pair of balls that matches? Which clock keeps the best time? The clock that loses a minute a day or one that doesn't run at all? I have two current U.S. coins in my hand. The two coins add up to 15¢. One of the coins is not a nickel. What two coins do I have? **God's Guest List** Debbie Macomber, 2010-11-02  
Through touching true stories and inspiring insight, Debbie Macomber takes us on a journey to discover the influence others have on us—and the power we have to influence them in turn. Who is on God's "guest list" for your life...and why? The answers may surprise you. Each of us have "influencers" that have affected our lives—some from a distance, some through word or deed, some through example, be it good or bad. Often we don't even recognize the deep impact others have had and how God has used them to shape us into who we are. By pausing to recognize these influences, we begin to grasp how God's guest list has a purpose far

beyond what we imagined. We begin to see the seeds of influence that grew into our personal values and character. In some people God invites into our lives, we see only what appears to be painful or negative influence. In God's Guest List, Macomber redirects our attention, opening our eyes to how those experiences prompted strength, resilience, resolve, and choices about how we would change and who we would become. In other instances, God has surprised us with just the people at just the right time to support, teach, lead, or love us, but perhaps we haven't quite recognized God's timing and work through these "guests." This book also offers the chance to grasp our own power to influence others, and even to anticipate what lives we have yet to touch. In the bestselling tradition of How to Win Friends and Influence People, Macomber shares her vision to seize every opportunity to be a positive and faithful influence on others. Filled with true stories and rich insight, God's Guest List will forever change how you see the people in your life.
