Librarian's Guide to Games and Gamers Michelle Goodridge, Matthew J. Rohweder, 2021-11-15 Helps librarians who are not themselves seasoned gamers to better understand the plethora of gaming products available and how they might appeal to library users. As games grow ever-more ubiquitous in our culture and communities, they have become popular staples in public library collections and are increasing in prominence in academic ones. Many librarians, especially those who are not themselves gamers or are only acquainted with a handful of games, are ill-prepared to successfully advise patrons who use games. This book provides the tools to help adult and youth services librarians to better understand the gaming landscape and better serve gamers in discovery of new games—whether they are new to gaming or seasoned players—through advisory services. This book maps all types of games—board, roleplaying, digital, and virtual reality—providing all the information needed to understand and appropriately recommend games to library users. Organized by game type, hundreds of descriptions offer not only bibliographic

information (title, publication date, series, and format/platform), but genre classifications, target age ranges for players, notes on gameplay and user behavior type, and short descriptions of the game's basic premise and appeals.

Mother of Death and Dawn Carissa Broadbent, 2022-02-07
Tell me, little butterfly, what would you do for love? In the wake of a crushing defeat, Tisaanah and Maxatarius have been ripped apart. Tisaanah is desperate to rescue Max from his imprisonment, even as her people's fight for freedom grows more treacherous. But within the walls of Ilyzath, Max's mind is a shadow of what it once was... leaving his past a mystery and his future at the mercy of Ara's new, ruthless queen. Meanwhile, in the Fey lands, Aefe has been dragged back into this world by a king who vows to destroy civilizations in her name. But even as her past returns to claim her, her former self is a stranger. Tisaanah, Max, and Aefe are thrust into the center of a cataclysm between the human and Fey worlds. The unique magic they share is key to either winning the war, or ending it. But that power demands sacrifice. Tisaanah may be forced to choose between love and duty. Max cannot forge his future without confronting his past. And Aefe must decide between reclaiming who she was, or embracing who she has become. The choices they make will either reshape this world forever...or end it. In the harrowing finale of the War of Lost Hearts trilogy, a tale of romance, magic, vengeance, and redemption comes to a close -- perfect for fans of Sarah J. Maas, Miranda Honfleur, and Danielle Jensen.
