A Royal Guide to Monster Slaying Kelley Armstrong,2019-08-06 Monster hunting isn't for the faint of heart -- the first in a brand-new middle-grade series by NYT bestselling author, Kelley Armstrong. Twelve-year-old Rowan is destined to be Queen; her twin brother, Rhydd, to be Royal Monster Hunter. Rowan would give anything to switch places, but the oldest child is always next in line, even if she is only older by two minutes. She resigns herself to admiring her monster hunting aunt's glorious sword and joining her queen mother for boring diplomatic teas. But tragedy shatters the longstanding rule, and Rowan finds herself hunting the most dangerous monster of all: a gryphon. Accompanied by a feisty baby jackalope and a giant wolf that barely tolerates her, Rowan sets off on a journey that will see her join other unlikely allies: a boy with monster-hunting ambitions of his own, and a girl hiding dangerous motives. It will take all of Rowan's skills, both physical and diplomatic, to keep this adventure on track. The future of her kingdom depends on it.

Picture Yourself Legend Tripping Jeff Belanger,2010-06-25 What is legend tripping? There's a good chance you've already done it. Remember sneaking off into that cemetery at night as a kid to see if there were any ghosts? What about hearing there was a monster lurking in that old abandoned building and wanting to check it out? Or reading about a UFO landing site and wanting to plan your next vacation in the area so you could stand where the craft was said to have left its mark? That's legend tripping. But it's also so much more. Any television program you've ever seen that explores haunted places, ancient mysteries, UFO sightings, or strange creatures is legend tripping. First there was a story: a legend that was born and grew because people had unexplained experiences and shared what they saw, heard, and felt. In **Picture Yourself Legend Tripping: Your Complete Guide to Finding UFOs, Monsters, Ghosts, and Urban Legends in Your Own Backyard**, you'll learn how to find, explore, and document these amazing, and often paranormal, occurrences. And you don't need expensive equipment or training, because this book will show you how to have an incredible adventure in your own backyard this weekend. Bring your open mind and your sense of wonder. Get ready for legend tripping!

Yokai are ethereal sorts of beings, like ghosts, nearly always encountered at night; everyone has their own take on how they might look in real life and what sorts of specific characteristics and abilities they might have. Rowan is now the Royal Monster Hunter, and her twin brother, Rhydd, is destined to be king. But her mother's cousin Heward is still determined that his children be the ones to inherit the titles, and will stop at nothing to show that Rowan and Rhydd are too immature to properly lead. After the gryphon that Rowan captured in Book One gives birth but then dies, Rowan is left with a baby gryphon she knows she cannot keep. And it grows faster than anyone can imagine . . . In order to save face after an accident involving the troublesome gryphon, Rowan, with the help of her friends Dain and Alianor, along with an entourage of monstrous companions, must make a journey to the mountains to release the gryphon back into the wild. What starts off as a simple enough task soon becomes a dangerous quest, as the group encounters numerous rare and deadly monsters along the way, including wyverns and ceffyl-dwrs. Nothing is easy when you're a monster magnet like Rowan. Can she prove herself worthy of the title of Royal Monster Hunter? Find out in this exciting second book in the **Royal Guide to Monster Slaying** series!
