Guitar Fretboard Atlas Joe Charupakorn, 2014-08-01 (Guitar Educational). Mastering the guitar neck has always been a challenge, even for very experienced players. The diagrams in Guitar Fretboard Atlas will help you quickly memorize scales and chords that may have previously seemed impossible to grasp. You'll be able to easily see and understand how scale and chord shapes are laid out and how they connect and overlap across the neck. This is a collection of roadmaps for the most important scales and chords. The material is presented in all 12 keys, using complete 24-fret neck diagrams with color-coded displays of the most common fingerings.

*Fretboard Secret Handbook (2nd Edition)* Scott Su, 2017-07-01 ★ Private memory techniques help to achieve memorize scales and musical note positions on the guitar in 10 minutes ★ Combine musical intervals, chords, arpeggios, key modes and practice mantras to let you play more freely on a fretboard ★ Practical examples and licks enhance your playing techniques as well as the familiarity of scale graphics. This handbook uses the most effective memory technique; the concept of "Image Memorization Method (according to experiences, it can be achieved in 10 minutes) can help your brain memorize scale graphics in the fretboard in a short time and also to teach you enhancing practices and methods of application. In addition to stimulating your thinking of musical notes and fingerings on the fretboard, the most important thing is to help you be able to cleverly apply scales and chords as well as their matching via the familiarity of the fretboard. During performances, it is the main goal of this handbook that you know the scale positions where your fingers are located anytime. In addition, this second version handbook has more demonstrations than the first version as well as clearer and plenty of explanations. In addition to the faster and efficient memory fretboard, the rich contents lively combine various kinds of practice as well as thinking methods. And this better allows you to obtain great achievements in such as intervals, chords, arpeggios, key modes as well as musical concepts. If you— ● Just want to play easy musical notes but you can never find the right positions ● Want to leave playing and singing along level but you cannot find the directions ● Want to improvise solo performances but you often get the musical notes wrong ● Encounter a situation where your hands slide to a different fret position then you don't know how to play ● Have a bunch of fingerings which the more you memorize them the more you are confused ● Want to know more about the guitar One book "Building Block Image Memory Methods" can fix all problems! ==TABLE OF
