Exploring Winding Roads and Dusty Trails Joe

Gonzalez,2019-02-26 What is it that makes a person dream and come up with some of the wildest stories one can dare tell to a husband, wife, friend, or stranger? First of all, are they funny stories or scary stories? Are they stories anyone would dare to believe? Are they stories that ordinary people would really like to hear about or read about? And what in the world created such funny or unbelievable stories? Was it stress, or was it insomnia? Or are we just natural dreamers? My stories probably come to me from having too much time in my hands and thinking too much. The following stories probably came to me as dreams when I was doing a lot of daydreaming back in the seventies. At the time, I was pulling my weight while working at White's Auto Store warehouse in the small town of Shallowater, Texas. I was a certified forklift driver pulling orders, license, and all. I worked in what was called Area 8. I pulled the big boxed toys, bicycles, and lawn mowers. I also pulled the fertilizer bag orders. Working inside a warehouse had many disadvantages. There was always dust all over the place. The warehouse was always hot in summer and pretty cold in winter. Many times when it was slow, I would let my mind just wander off into oblivion. That's when my stories were born and began to take shape. Characters and names of characters would pop into my mind out of nowhere.

Wayward Chuck Wendig, 2022-11-15 “If King had written a sequel to *The Stand*, it might look something like this monumental epic of a story.”—James Rollins, #1 New York Times bestselling author of *Kingdom of Bones* “As great as *Wanderers* was, *Wayward* is better.”—Christopher Golden, New York Times bestselling author of *Road of Bones* Five years ago, ordinary Americans fell under the grip of a strange new malady that caused them to sleepwalk across the country to a destination only they knew. They were followed on their quest by the shepherds: friends and family who gave up everything to protect them. Their secret destination: Ouray, a small town in Colorado that would become one of the last outposts of civilization. Because the sleepwalking epidemic was only the first in a chain of events that led to the end of the world—and the birth of a new one. The survivors, sleepwalkers and shepherds alike, have a dream of rebuilding human society. Among them are Benji, the scientist struggling through grief to lead the town; Marcy, the former police officer who wants only to look after the people she loves; and

Shana, the teenage girl who became the first shepherd—and an unlikely hero whose courage will be needed again. Because the people of Ouray are not the only survivors, and the world they are building is fragile. The forces of cruelty and brutality are amassing under the leadership of self-proclaimed president Ed Creel. And in the very heart of Ouray, the most powerful survivor of all is plotting its own vision for the new world: Black Swan, the A.I. who imagined the apocalypse. Against these threats, Benji, Marcy, Shana, and the rest have only one hope: one another. Because the only way to survive the end of the world is together.

Gumballs Erin Nations, 2018-05-30 Gumballs dispenses an array of bright, candy-colored short comics about Erin's gender transition, anecdotal tales of growing up as a triplet, and fictional stories of a socially inept love-struck teenager named Tobias. The wide-ranging series is filled with single-page gag cartoons, visual diaries of everyday life, funny faux personal ads, and real-life horror stories from customers at his day job. Gumballs offers a variety of flavors that will surely delight anyone with a taste for candid self-reflection and observations of humanity. This book collects Gumballs #1-4, plus 32 pages of brand-new content! Gumballs tips its hat to the classic alt-comic tradition of Eightball, Optic Nerve, and Box Office Poison, but speaks with a delightfully fresh voice for the modern age.

Once Upon a Time in Elmore: When Gumball Met Penny
