The Sound of Red Returning Sue Duffy, 2012-02-14

It's been fifteen years since famed pianist Liesl Bower saw her beloved Harvard mentor gunned down, since the CIA disclosed his double life as a Russian spy. She was interrogated and released, with no incriminating evidence against her. But now, something has happened to set Russian and CIA agents on her heels. New intelligence suggests that Liesl possesses a coded message critical to a resurgence of Soviet power. As global tensions mount, the Russians are in a frenzy to find the code before the Americans. Standing in their way, though, is the young pianist from the tidal creeks and secret-shrouded lanes of Charleston, South Carolina. As Liesl outruns the tip of the Russian spear, she must reckon with the wounds of her past, the love of a man she never thought could be hers, and the prevailing power of God.--P. [4] of cover.

Lights, Camera, Sound Tracks Martin Charles Strong, Brendon Griffin, 2008 Lights, Camera, Soundtrack surveys over 50 years of rock 'n' roll movies, musicals and performance films. It identifies the top guns involved in each film, provides a storyline, rates the film and reviews its soundtrack. From pop and rock musicals, like the classic Elvis Presley vehicle Jailhouse Rock and the recent Tenacious D showpiece The Pick of Destiny, to performance films like Woodstock and Dig!, and the bootylicious films of the Blaxpoitation genre, all manner of rock and popular music films are here. It also includes the films whose soundtracks made a massive impact on their success, such as Trainspotting, Reservoir Dogs, and The Crow. And a section is dedicated to the rock and pop luminaries who have written film scores, such as Peter Gabriel, Nick Cave, and Ry Cooder.--BOOK JACKET.

An Environmental History of Britain since the Industrial Revolution B.W. Clapp,2014-07-15

The present and future state of the environment gives rise to ever increasing concern, but much less is known as yet about the past: the damage that has been done since, and by, the Industrial Revolution; how far our predecessors were aware of it; the steps they took; and the gradual development of a wider concern for the state of the world and our impact on it. This timely and pioneering survey, designed for general readers as well as students and scholars, is a substantial contribution to that understanding.

Pirate King (with bonus short story Beekeeping for Beginners) Laurie R. King, 2012-04-17 NEW YORK TIMES BESTSELLER • “An engaging romp guaranteed to please . . . perfectly written in the style of Sir Arthur Conan Doyle.”—USA Today In England’s young silent-film industry, the megalomaniacal Randolph Fflytte is king. But rumors of criminal activities swirl around his popular movie studio. At the request of Scotland Yard, Mary Russell travels undercover to the set of Fflytte’s latest cinematic extravaganza, *Pirate King*. Based on Gilbert and Sullivan’s *The Pirates of Penzance*, the project will either set the standard for moviemaking for a generation . . . or sink a boatload of careers. As the company starts rehearsals in Lisbon, the thirteen blond-haired, blue-eyed actresses whom Mary is chaperoning meet the swarm of real buccaneers Fflytte has recruited to provide authenticity. But when the crew embarks for Morocco and the actual filming, Russell senses ominous currents of trouble: a derelict boat, a film crew with many secrets, decks awash with budding romance—and now the pirates are ignoring Fflytte and answering only to their outlaw leader. Where can Sherlock Holmes be? As movie make-believe becomes true terror, Russell and Holmes themselves may experience a final fadeout. Features Laurie R. King’s short story, *Beekeepers for Beginners*, previously available only as an eBook!

Midget Kate Valery, 2020-12-27 The novel *Midget* (*Symphony of the Ocean*) is touching some of the most important modern topics – the places of handicapped and mentally ill people in today’s society. It contains ever-living

values and ideas of good and evil, talent and mediocrity, love and hatred, purity and foul, honesty and lies, willpower and weakness, hypocrisy and truth, punishment and crime. The genius composer, Jim Bogat, is a midget severely handicapped from birth. After death of his adoptive mother, he ends up accidentally in a group home for mentally ill people. Being the only one person in the house who is in his right mind, he started noticing very strange things that are going on around. The owner of the group home, Mona Lainer, uses a compulsion to pull naive and inexperienced Jim into a sexual relationship, trying to prevent his 'investigative mind' from discovering her dangerous secrets. Noticing Jim's super talent in composing music, Mona is stealing page-by-page the main creature of his life – Symphony of the Ocean, scheming to present her daughter as a genius composer and make her rich and famous. However, those are only the smallest of the crimes and abuses which are happening with all the residents of the group home. There is hidden much more... The young Ukrainian immigrant, Lada, the sister of a symphony orchestra conductor, got involved in Jim's investigation and also in his almost impossible task – to find his birth parents. The tragic story of a famous rock stars family appeared on the way of Jim and Lada and unexpectedly helps them to organize the concert of Jim's dreams and to perform his symphony. But will they survive the green-eyed jealous Monster, following on their steps? What's happening with the group home mentally challenged residents – in the forest, 100 km away from the city while in the concert hall Jim's symphony is playing? Will they survive unexpected horrible disaster? Or will the world collapse for Jim and Lada in the hour of the triumphal performance of his Symphony of the Ocean?

Pet Shop Boys, Literally Chris Heath, 2020-03-19 The Pet Shop Boys are one of the most successful and unusual bands of the last five decades. They are the pop duo that proves pop music can be modern, ecstatic and playful as well as serious and intelligent, winning them legions of devoted fans throughout the world. In 1989, Neil Tennant and Chris Lowe invited journalist Chris Heath and

photographer Lawrence Watson to shadow them around Hong Kong, Japan and the UK as they embarked on their first-ever tour. This book is the result: an immersive portrait giving access into the duo's inner sanctum, showing them in brilliantly observed detail as they work, relax, gossip, argue and occasionally try to make sense of what they do. 'As clear a picture as could be wished for of the seething mass of elegant contradictions that is the Pet Shop Boys' on-the-road experience.' Independent on Sunday 'This superbly reported book transcends tired rock journalism cliché. It's about what it means to be a pop star, what it means to be a Pet Shop Boy... how to love pop, hold it to a higher standard and subvert its expectations.' Laura Snapes

Into the Maelstrom: Music, Improvisation and the Dream of Freedom David Toop, 2016-05-05 Shortlisted for the Pendergyn Music Book Prize 2017. In this first installment of acclaimed music writer David Toop's interdisciplinary and sweeping overview of free improvisation, Into the Maelstrom: Music, Improvisation and the Dream of Freedom: Before 1970 introduces the philosophy and practice of improvisation (both musical and otherwise) within the historical context of the post-World War II era. Neither strictly chronological, or exclusively a history, Into the Maelstrom investigates a wide range of improvisational tendencies: from surrealist automatism to stream-of-consciousness in literature and vocalization; from the free music of Percy Grainger to the free improvising groups emerging out of the early 1960s (Group Ongaku, Nuova Consonanza, MEV, AMM, the Spontaneous Music Ensemble); and from free jazz to the strands of free improvisation that sought to distance itself from jazz. In exploring the diverse ways in which spontaneity became a core value in the early twentieth century as well as free

improvisation's connection to both 1960s rock (The Beatles, Cream, Pink Floyd) and the era of post-Cagean indeterminacy in composition, Toop provides a definitive and all-encompassing exploration of free improvisation up to 1970, ending with the late 1960s international developments of free music from Roscoe Mitchell in Chicago, Peter Brötzmann in Berlin and Han Bennink and Misha Mengelberg in Amsterdam.
