Shooters Abigail A. Kohn,2004-06-10 Frequenting gun shops and shooting ranges, and devoting particular attention to those whose interest in weaponry extends beyond the casual, Abigail A. Kohn captures in finegrained and often entertaining, yet always humane, detail how gun owners actually think and feel about their guns. Through her conversations--with cowboy action shooters at a regional match, sport shooters, hunters, with shooters of all ages and races--we hear of the savage beauty of a beautifully crafted long gun, of the powerful historical import owners attach to their guns, of the sense of empowerment that comes with shooting skill, and the visceral thrill of discharging a dangerous weapon. Cutting through the cliches that link gun ownership with violent, criminal subcultures and portray shooters as gun nuts or potential terrorists, Kohn provides us with a lively and untainted portrait of American gun enthusiasts.

Beating Guns Shane Claiborne,Michael Martin,2019-03-05 ★ Publishers Weekly starred review Parkland. Las Vegas. Dallas. Orlando. San Bernardino. Paris. Charleston. Sutherland Springs. Newtown. These cities are now known for the people who were shot and killed in them. More Americans have died from guns in the US in the last fifty years

than in all the wars in American history. With less than 5% of the world's population, the people of the US own nearly half the world's guns. America also has the most annual gun deaths--homicide, suicide, and accidental gun deaths--at 105 per day, or more than 38,000 per year. Some people say it's a heart problem. Others say it's a gun problem. The authors of *Beating Guns* believe it's both. This book is for people who believe the world doesn't have to be this way. Inspired by the prophetic image of beating swords into plows, *Beating Guns* provides a provocative look at gun violence in America and offers a clarion call to change our hearts regarding one of the most significant moral issues of our time. Bestselling author, speaker, and activist Shane Claiborne and Michael Martin show why Christians should be concerned about gun violence and how they can be part of the solution. The authors transcend stale rhetoric and old debates about gun control to offer a creative and productive response. Full-color images show how guns are being turned into tools and musical instruments across the nation. Charts, tables, and facts convey the mind-boggling realities of gun violence in America, but as the authors make clear, there is a story behind every statistic. *Beating Guns* allows victims and perpetrators of gun violence to tell their own compelling stories, offering hope for change and helping us reimagine the world as one that turns from death to life, where swords become plows and guns are turned into garden tools.

Colorado Reload Dr. Richard M. Beloin MD, 2023-04-24 The Story..... The story starts as a 'burnt-out' bounty hunter and a 'floundering' waitress find each other. After a week of stepping out, they fall in love. Realizing they had both been lifelong 'range rats,' the two set out to build a business out of reloading once fired brass. Needing a prototype automatic machine to sort and load ammo, they went to Salt Lake City to learn how to operate such machines. Concurrently they made friends with three other couples in similar training classes. After one month, they returned to Denver to purchase a building, renovate it, purchase houses for their friends' housing, and arranged for the automated sorters and reloaders to be installed. With their six friends as essential workers, the factory was producing 220,000 loaded rounds per week and turned out some incredible profits till things came to a halt with the impending WWI. Electing not to be commandeered but to work with the War Department, the business prospered making 30-06 rifle and 45 ACP pistol ammo. With the end of the war in 1917, the business went thru the 1918 Influenza pandemic and was closed for months. After that, the business flourished during the Roaring 20's till the Stock Market crash of 1929. The business again closed during the Great Depression till the late 1930's in preparation for WWII. After that war, the Duo now in their late 50's and wealthy, passed the business to their son and daughter.
