Aptavani 09 Dada Bhagwan,2015-04-13 “Aptavani 9” is the ninth in a series of spiritual books titled “Aptavani”. In this series, Gnani Purush (embodiment of Self knowledge) Dada Bhagwan addresses age-old unanswered questions of spiritual seekers. Dadashri offers in-depth answers to questions such as: “What is the definition of ignorance, the definition of self awareness, and the definition of freedom – and are they all related?”, “What are the signs of spiritual awakening?”, “If I gain spiritual power from spiritual practices, is that dangerous to my spirituality in any way?”, “What is liberation, or moksha?” For those wanting to know how to become more spiritual, or desirous of attaining moksha, Dadashri explains that certain pitfalls must be avoided in the process of spiritual development. He describes how, in spirituality and practice, one must be careful not to fall into a lack of awareness. From understanding “Who am I?” and attaining knowledge of Self, true spirituality unfolds within, which supports a spiritual life leading to ultimate liberation.

My Life : Guru Nanak Dev Gurpreet Singh, 2019-11-10 India is the land of great saints. Masters, Gurus and Philosophers who had given this world a new vision about the immortal value and message of humanities. In India Guru is always considered on a higher position than the God. The immense boon showered on you is because of Guru only. The period of Guru Nanak to Guru Gobind Singh was a period of oppression of Hindu culture. The Hindu society was getting engrossed in evil like the theory of incarnation, idol-worship, untouchability and so on. But the appearance of Sikh Gurus has given nectar to the Indian society and the perversion of the society ended. For them all the people of the world were like a family. There is a strong emphasis on equality and service. This encourages a spirit of cooperation and an equal sharing of resources. Although, the great soul has departed for His heavenly abode, but He will remain in the mortal world with His teachings. The book presents His life sketch, views and teachings in an easy to understand language, for the well being of our society. A

must read book for everyone.

The Graceful Guru Karen Pechilis,2004 A distinctive aspect of Hindu devotion is the veneration of a human guru, who is not only an exemplar and a teacher but is also understood to be an embodiment of the divine. Historically, the role of guru in the public domain has been exclusive to

men. The new visibility of female gurus in India and the U.S. today, and indeed across the globe, has inspired this first-ever scholarly study of the origins, variety, and worldwide popularity of Hindu female gurus. In the Introduction, Karen Pechilis examines the historical emergence of Hindu female gurus with reference to the Hindu philosophy of the self, women spiritual exemplars as wives and saints, Tantric worship of the Goddess, and the internationalization of gurus in the U.S. in the twentieth century. Nine essays profile specific female gurus, presenting biographies of these remarkable women while highlighting overarching issues and themes concerning women's status as religious leaders; these themes are nuanced in the afterword to the volume. The essays explore how Hindu female gurus embody grace in both senses--as a feminine ideal and an attribute of the divine--and argue that their status as leaders is grounded in their negotiation of these two types of grace. This book provides biographical profiles of the following female gurus plus sensitive scholarly analysis of their spiritual paths: Ammachi, Anandamayi Ma, Gauri Ma, Gurumayi, Jayashri Ma, Karunamayi Ma, Ma Jaya Sati Bhagavati, Mother Meera, Shree Maa and Sita Devi.
