Blount County, Alabama Confederate Soldiers, Volume 1: Cavalry Robin Sterling,2013-08-15 Mary Gordon Duffee wrote in 1892: When the drums beat, and the bugles called for men to march to the front, I tell you old Blount responded nobly, and sent hundreds of her gallant sons to march, fight, suffer and die for the flag that now lies furled forever. This series of books identifies Confederate soldiers who enlisted from the Blount County area, plus those who moved to Blount County after the Civil War. Company rosters are captured and service records, pension applications, birth dates, spouses and marriage dates, newspaper clippings and obituaries, and pictures are contained in these volumes. This is the first time ever all this information has been available in a single reference book. Cavalry companies examined here include: 12th Alabama Cavalry, Companies B and C; 2nd Kentucky Cavalry, Company G; Lewis Battalion Alabama Cavalry, Companies B and E; Graves, Barbriere, and Stewart's Alabama Cavalry; Holloway's Escort; and the 3rd Confederate Cavalry, Company D.

Gateway City Puckchasers Darin Wernig,2014-10-01 Purchase the hardcover version at www.stlhockeybook.com. Gateway City Puckchasers: The History of Hockey in St. Louis is the first book ever published that details the great hockey tradition in St. Louis, which dates back more than one hundred years. Beginning with the Ice Palace and the World's Fair Hockey Club and extending to the 2013-14 St. Louis Blues, who had one of the best records in the National Hockey League, every important moment is described. In addition to focusing on all of the teams such as the Flyers, Eagles, Braves, Vipers, River Otters, Chill and Blues, several of the all-time great players and ambassadors of St. Louis hockey receive special focus. While there have been many great moments in Gateway City hockey, some are so indelible that stories alone are not nearly enough. Entire box scores of several games, including the first hockey game played in St. Louis in 1899, are included that details all of the important information. Gateway City Puckchasers also features many rarely seen photographs and drawings which only enhance the stories, as well as color graphics showing the various jerseys the professional teams wore through the years. This is a one-of-a-kind book and is a must have for any St. Louis hockey fan.

Color and Light James Gurney,2010-11-30 Unlike many other art books only give recipes for mixing colors or describe step-by-step painting techniques, *Color and Light* answers the questions that realist painters continually ask, such as: What happens with sky colors at sunset?, How do colors change with distance?, and What makes a form look three-dimensional? Author James Gurney draws on his experience as a plain-air painter and science illustrator to share a wealth of information about the realist painter's most fundamental tools: color and light. He bridges the gap between abstract theory and practical knowledge for traditional and digital artists of all levels of experience.
