**Corinne Asch**

*How Hair Extensions are Sourced, Treated and Graded* Diane Shawe, The hair extension bible informs you about what you don't know as a budding hair extension technician, consultant or trainer can be harmful to your clients and your business. This book is a summary of years of work and research with hair and some of what has been noted throughout that time by other reports and blogs. For instance what is the effects of the swelling of Hair? Swelling is one of the most damaging conditions of the hair. It loses flexibility, natural bounce, elasticity, and strength and is much easier to break how can you avoid this? How is hair treated once it gets to the factory? Once the hair arrives at the factory, it is treated in a hydrochloric acid bath to remove the cuticle. A word of warning - hydrochloric acid is extremely hazardous. Please do not put yourself at risk by experimenting with this chemical! But back to the problem. It's not the remy hair; remy hair is relatively easy to process and the damage inflicted during de-cuticalization is slight. Non-remy hair is the villain. A little book full of facts and advice that will keep you informed and up to date with the hair extension products

*Getting Started in the Hair Extensions Business* Diane Shawe, The first ebook to advise you on 'What they don't tell you about Getting started in the hair extension business' by Diane Shawe. Whether you are a beginner, been in business for a few years or want to explore how you can increase your annual turnover, this is an book designed to help you prepare yourself. A book for students, mobile hairdressers, professional hairdressers, beauticians, any one considering starting up in the hair business, hair consultants and specialist technicians. Useful for schools and colleges, private training schools and anyone currently

running a hair and beauty business. Also Author of 'How Hair Extensions are Sourced, Treated and Graded'

The Hair Extension Professional Training Manual Christa McDearmon,2016-01-19 This curriculum is designed to help you succeed in applying and promoting multiple types of hair extensions. This manual will give you all the information you need while you begin your hair extension training journey and is designed to give you the most extensive and complete curriculum on the market. This curriculum focuses on natural hair health and best practices, not promoting a brand.
