They follow the interpretation of their Imams (jurists), so sometimes they look at others when they do not perform a specific virtue the way they do, then they think they are doing wrong, which is not so, but all of them are performing correctly according to the interpretation of their Imams. This book gives all these details in sequence according to all four imams the Muslim Ummah follows.

**Hajj & Umrah** Fisabilillah Authenticate Ulama's Organization,2016-03-03 INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly will return as (sinless as ) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The Hajj at a glance diagram has been specially made to assist the Hajji in simplifying the procedure further.

**Hajj: the Ultimate Goal** AI-Hajjah Zahirah I.S. Akbar,2011-05-11 Since Hajj is the Ultimate Goal. This is what inspired me to write this book to give you the procedures and other important information in making this final Goal which is Hajj. Surely we are from Allah, and surely we are returning.

**Fiqh Us-Sunnah: Hajj and 'Umrah** al-Sayyid Sābiq,1985 Fiqh us-Sunnah (Hajj and Umrah) - Are you looking for a book that explains the basic practices of Islam in a comprehensive, detailed manner? This series of translations provides valuable information concretely based on Qur'an and Sunnah. The author presents and discusses a variety of viewpoints on the various matters of practice.

A Guide to Hajj and Umrah Anis Matthews, Daud Matthews, 2013-11 Guide for Hajj and 'Umrah. It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and 'Umrah. It's a guided tour through a number of very meaningful emotional and religious experiences. But it's also so much more... It is a journey of self-discovery as well as the discovery of Islam. It's a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story-telling. \* The text itself is well written and simple, getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime... \* The photographs displayed near the end of the book are astounding and original, especially for readers from Non Muslim countries, who have in all probability never before seen such sights as the spellbinding, pure-as-snow brightness of Masjid-Nabawi at night, or the sober splendor of the Prophet's Mosque. \* Interspersed with the practical maps, tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah, the Most Powerful and Compassionate, as well as a thrilling narration of Islam's early history and lore. Particularly moving and evocative is the beautifully retold beginning of sa'ee, the struggle as an act of absolute trust in Allah, as displayed by a desperate and lonely Hajar. Especially touching and profound is the authors' recommendation to work hard on understanding the du'as recited as a pilgrim, instead of simply carrying pamphlets and reciting them in blind fashion without understanding their meaning. Such a warning is a necessity, as casualness might well impair the sincerity of the appeal, which should come straight from the pilgrim's heart. In short, this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam.
