Mental Training for Runners Jeff Galloway,2016-03-28 “I don't have time to run.” “The run will hurt or make me tired.” “I don't have my running shoes with me.” “I’ve got too much work to do.” If you're always looking for any excuse to not go running, this book is for you! Whether you’re an athlete or just want to stay fit and exercise, you need to train your mind just as much as you train your body! It’s easy to find excuses and stay at home, but with Jeff Galloway’s mental training strategies you will find yourself staying motivated and setting and reaching new goals in no time. Jeff will help you break down your challenges into smaller steps so your next goal seems more achievable. You will learn to overcome each challenge and problem and reduce stress. You will be able to go out for your run even on tough days, after an injury or illness, or when your running buddy isn’t around. In the end, you will break through barriers and stay in control and at the top. In this book, you will find many useful tips on how to deal with stress. Jeff describes typical everyday situations and how to go out and run even if your brain is making up excuses; he explains drills to help you rehearse a good response to those excuses so that over time you will change your habits; he presents training tools that will

lower your stress and help you learn to set realistic goals. In addition, Jeff posits that in order to stay motivated, it is important to have good running technique. A section on better technique will help you run better and achieve your next goal. Finally, Jeff shows how using a journal can benefit your exercise regime and assist you in keeping track of your progress and the highs and lows of your training schedules. Mental Training for Runners will put you on the path to a positive mental environment and will turn your mind, body, and spirit into a powerful team and tool. After reading and learning from this book, there will only ever be one answer to any challenge: "I can do it!"

Galloway's Book on Running Jeff Galloway, 2021 One of the world's most popular running books, this new edition has been updated to include Jeff Galloway's run walk runa method of training, which allows runners of all levels to train injury-free for a variety of races. A classic updated for the 21st century. Olympic athlete Jeff Galloway shows how amateur runners can use the same training principles followed by world-class runners. He tells beginners how to get started, explains his ideas on stress and rest, and reveals secrets for running better. In this completely revised and updated new edition of the classic text on running, Galloway includes training schedules for 5k, 10k, and the increasingly popular half-marathon races, as well as recent insights into motivation, nutrition, and fat burning. Most importantly, Jeff has updated this version to include his run walk runa method of training, which has helped tens of thousands of runners train injury-free for races of varying distances, including marathons. Runners at all levels will benefit from this seasoned athlete's wisdom--

From 3 to 26.2 Turner Stephanie Turner, Stephanie Turner, 2010-02 When author Stephanie Turner began running, she didn't believe she would ever run a marathon. But she proved herself wrong. From 3 to 26.2 narrates how she accomplished this goal. Turner's week-by-week summary shows how she progressed from running just three miles to 26.2 miles in six months by following the Jeff Galloway run/walk program. A thirty six year-old mother of two, she highlights the important fitness lessons learned each week while capturing the novice experience, and she provides guidance to those currently running short distances to gradually increase their running distance. From 3 to 26.2 also addresses the benefits of running in a group, running gear/attire, running supplements, adequate fluid replacement, common running injuries, and eating for exercise more than three hours in duration. From 3 to 26.2 serves as a reference and inspiration for beginning runners to take their training to the next level. It also communicates the satisfaction of obtaining a lifelong goal.
