Android Forensics Andrew Hoog, 2011-06-15 The open source nature of the platform has not only established a new direction for the industry, but enables a developer or forensic analyst to understand the device at the most fundamental level. Android Forensics covers an open source mobile device platform based on the Linux 2.6 kernel and managed by the Open Handset Alliance. The Android platform is a major source of digital forensic investigation and analysis. This book provides a thorough review of the Android platform including supported hardware devices, the structure of the Android development project and implementation of core services (wireless communication, data storage and other low-level functions). Finally, it will focus on teaching readers how to apply actual forensic techniques to recover data. Ability to forensically acquire Android devices using the techniques outlined in the book Detailed information about Android applications needed for forensics investigations Important information about SQLite, a file based structured data storage relevant for both Android and many other platforms.

The Varlet and the Voyeur Penny Reid,L. H. Cosway,2018-05-22 He kept his salacious secret for years. But soon, everyone is going to be reading about it in their morning paper... THE VARLET (and the VOYEUR) William Moore is a long way from home. A farm boy from Oklahoma, he's now the most well-respected member of the Irish rugby team. But appearances are often deceptive, and Will isn't the clean-cut, all-American good-guy everyone imagines him to be. He's got a secret, one that will tarnish his reputation forever. THE VOYEUR (and the VARLET) Josey Kavanagh is a self-proclaimed mess, but she's finally getting her shi...uh, act together. She's set her sights on becoming a veterinarian, but there's one teeny tiny road bump. Her living arrangements are coming to an abrupt end, leaving Josey homeless and in need of a job to pay her way through college. THE PLAN What he needs is a companion to keep him on the right path. What she needs is an apartment with free rent. Will is convinced Josey will make the perfect companion, since she's brutally honest and basically 'just one of

the guys.' Josey is convinced she can ensure Will doesn't succumb to his voyeuristic proclivities by keeping a scrupulous eye on him. Except, what happens when the varlet is tempted by the voyeur, and vice-versa?! Perchance something very, very volatile. And vexing. The Varlet and the Voyeur is a full-length romantic comedy novel, can be read as a standalone, and is the 4th (and last) book in the USA TODAY bestselling Rugby Series

Android Malware Xuxian Jiang,Yajin Zhou,2013-06-13 Mobile devices, such as smart phones, have achieved computing and networking capabilities comparable to traditional personal computers. Their successful consumerization has also become a source of pain for adopting users and organizations. In particular, the widespread presence of information-stealing applications and other types of mobile malware raises substantial security and privacy concerns. Android Malware presents a systematic view on state-of-the-art mobile malware that targets the popular Android mobile platform. Covering key topics like the Android malware history, malware behavior and classification, as well as, possible defense techniques.

fantasy trilogy inspired by ancient Indian history and Hindu mythology, perfect for fans of Sabaa Tahir and Renée Ahdieh. * A Book Riot Most Anticipated Novel of 2019 * B&N Top 50 Most Anticipated Novels * A broken bond. A dying land. A cat-and-mouse game that can only end in bloodshed. Esha lost everything in the royal coup—and as the legendary rebel known as the Viper, she's made the guilty pay. Now she's been tasked with her most important mission to date: taking down the ruthless General Hotha. Kunal has been a soldier since childhood. His uncle, the general, has ensured that Kunal never strays from the path—even as a part of Kunal longs to join the outside world, which has only been growing more volatile. When Esha and Kunal's paths cross one fated night, an impossible chain of events unfolds. Both the Viper and the soldier think they're calling the shots, but they're not the only players moving the pieces. As the bonds that hold their land in order break down and the sins of the past meet the promise of a new future, both the soldier and the rebel must decide where their loyalties lie: with the lives they've killed to hold on to or with the love that's made them dream of something more.
