The Handsome Farmhouse Ghost Tina Griffith,2010-08-31 They say that we are all born with a strong intuition or a sixth sense. Some people want to ignore it, while others want to explore it. Abby denied it existed until she met Brenner, the handsome farmhouse ghost. Abby loses her fiancé in a terrible plane crash. While she's lost in the depths of sadness and despair, her mother steps in and offers Abby an old farmhouse to live in. Touched by her mother's loving gesture, Abby decides to accept her kind offer and moves in quickly. Once there, unusual things begin to happen and her life suddenly changes in a most unexpected way! The Handsome Farmhouse Ghost is a delightful, magical, whimsical, romantic story about two people who meet and fall in love, but not in the typical way. In a twist that could only happen on Halloween night, a spell is cast and the rest is a mystery!

The Handsome Man Brad Casey,2020-04-28 When life is upended, what do you do? Do you remain as you were, trapped in a form of stasis? Or do you accept your losses and move forward? These questions and more are the heart of The Handsome Man. These linked stories follow several years of the life of a young man as he is drawn around the world: from Toronto to Montreal, New York, Ohio, New Mexico, British Columbia, Berlin, Rome, and northern Ontario, along the way meeting hippies, healers, drinkers, movie stars, old friends, and welcoming strangers. He isn't travelling, however; he's running away. But as far and fast as he runs, the world won't let him disappear, and each new encounter and every lost soul he meets along this journey brings him closer and closer to certain truths he'd locked away: how to trust, how to live in this world, and most of all, how to love again. Praise for The Handsome Man I admire the emotional openness, tenderness and deeply uncynical tone of The Handsome Man, a novel-in-stories that feels unlike anything else I've read recently. Brad Casey's fiction debut is a gem that celebrates little blips of happiness and small, elusive moments of genuine human connection. --Guillaume Morissette, author of New Tab and The Original Face if yu want a book uv amayzing n brilllyant prose short storeez that ar long in theyr implikaysyuns look no furthr ths wundrful book is what yu ar looking 4 ths is beautiful writing with full orchestrasyun n minimalist accents enjoy --bill bissett
