NEW TESTAMENT HARMONY, AD 50 – 53 Robert Hodanko, 2020-04-21 This book presents a harmonious chronology of the New Testament accounts for the period AD 50 – 53. All dates are approximate and based on the determination that Jesus was crucified on Friday, April 7, AD 30. Every effort has been made to accurately present the chronology of the New Testament events. The 27 New Testament books were written by several men of different backgrounds and educational levels. They wrote over a period of several decades without the opportunity for collaboration. Despite this disparity there is remarkable harmony in their eye-witness accounts and teaching. Such harmony provides strong evidence that the New Testament scriptures were inspired by God; otherwise, the historical record of the New Testament could not have been written with such unerring accuracy. The purpose of this book is to highlight and trace that harmony. Hopefully, it can serve as a tool for your study of the Bible.
