**Haley's Hints Green Edition** Graham Haley,Rosemary Haley,2009-03-03 The New York Times bestselling author team returns with a budget-friendly, time-saving collection of green ideas. Because Mother Earth never wrote a guide for humans on caring for her, the authors of Haley's Hints now offer a collection of Earth-friendly tips for around the house. These many tips, both time-tested and money-saving, range from cooking and home repair to pest control and clever laundry ideas. Organized by category, the book shows how ordinary, non-toxic products can perform extraordinarily, all the while saving time and money. Readers can now say goodbye to expensive products and harsh chemicals. And Mother Earth will thank them for it.

**How to Amuse Yourself and Others: The American Girl's Handy Book** Lina Beard,Adelia B. Beard,2022-06-02 The American Girl's Handy Book was one of the earliest works written primarily for girls' amusement and enjoyment. It introduced original and novel ideas to open new routes for enterprise and entertainment for girls. The main goal was to engrave upon the girls' minds that they all have talent and the ability to achieve more than what they think is possible. During the time of this book's publication, it was unusual to promote girls to be inventive. But the writer desired to awaken this creative side in them by giving detailed methods of new tasks and amusements, to put them on the road they could travel and explore alone. Anyone curious about knowing the initiatives taken for girls' empowerment in the olden days will find this work beneficial.
