Hangman Ssw Books,2019-10-10 Hangman is a classic word game for two players, a host and a guesser. It's a popular game to play in school because it helps kids to practice spelling. How to play: The host chooses a word or short phrase and the guesser must guess it before the unfortunate character is 'hanged'! The guesser begins to guess letters. For example, they may ask Is there an A in this word? If that letter is in the word, the host writes in all the places it appears. If that letter does not appear, the host fills out a dotted line on the hangman diagram. At any point, the guesser may guess the word. If they are incorrect, another line is filled out on the hangman. If the hangman is completed (which takes six missed guesses), the guesser has lost. If the guesser guesses the word correctly before the hangman is completed, they win. Variation - if you're playing with children who might need more guesses, they can also draw a sad face on the hangman.

The only surviving child of a destitute washerwoman and wayward soldier, she must rely only on herself to get by. When her parents die suddenly from the smallpox ravishing New France (modern-day Montreal), Françoise sees it as a chance to escape the life she thought she was trapped in. Seizing her newfound opportunity, Françoise takes a job as an aide to the wife of a wealthy fur trader. The poverty-ridden world she knew transforms into a strange new world full of privilege and fine things – and of never having to beg for food. But Françoise’s relationships with the other servants in Madame Pommereau’s house are tenuous, and Madame Pommereau isn’t an easy woman to work for. When Françoise is caught stealing a pair of her mistress’s beautiful gloves, she faces a future even worse than she could have imagined: thrown in jail, she is sentenced to death by hanging. Once again, Françoise is left to her own devices to survive ... Is she cunning enough to convince the prisoner in the cell beside her to become the hangman and marry her, which, by law, is the only thing that could save her life? Based on an actual story and filled with illuminating historical detail, THE HANGMAN IN THE MIRROR transports readers to the harsh landscape of a new land that is filled with even harsher class divisions and injustices.
