*Chants of a Lifetime* Krishna Das,2018-01-23 Chants of a Lifetime offers an intimate collection of stories, teachings, and insights from Krishna Das, who has been called the chant master of American yoga by the New York Times. Since 1994, the sound of his voice singing traditional Indian chants with a Western flavor has brought the spiritual experience of chanting to audiences all over the world. He has previously shared some of his spiritual journey through talks and workshops, but now he offers a unique book-with-audio download combination that explores his fascinating path and creates an opportunity for just about anyone to experience chanting in a unique and special way. Chants of a Lifetime includes photos from Krishna Das's years in India and also from his life as a kirtan leader—and the audio that is offered exclusively in the book consists of a number of private chanting sessions with the author. Instead of just being performances of chants for listening, the recordings make it seem as if Krishna Das himself is present for a one-on-one chanting session. The idea is for the listener to explore his or her own practice of chanting and develop a deepening connection with the entire chanting experience.

**My Hanuman Chalisa** Devdutt Pattanaik,2017 Reflecting on one of Hinduism's most popular prayer for positive energy Acclaimed mythologist Devdutt Pattanaik demystifies the Hanuman Chalisa for the contemporary reader. His unique approach makes the ancient hymn accessible, combined as it is with his trademark illustrations. Every time we experience negativity in the world and within ourselves, every time we encounter jealousy, rage and frustration, manifesting as violation and violence, we hear, or read, the Hanuman Chalisa. Composed over four hundred years ago by Tulsidas, its simple words in Awadhi, a dialect of Hindi and its simple metre, musically and very potently evoke the mythology, history and mystery of Hanuman, the much-loved Hindu deity, through whom Vedic wisdom reached the masses. As verse follows verse, our frightened, crumpled mind begins to expand with knowledge and insight and our faith in humanity, both within and without, is restored.

Mahaviri Nityananda Misra,2018-06-08 The Hanuman Chalisa authored by Goswami Tulsidas is one of the most popular Hindu devotional hymns. The 'Mahaviri' Hindi commentary (1984) by Swami Rambhadracharya has been acclaimed as the best treatise on the Hanuman Chalisa. This book presents an annotated and expanded English translation of the 'Mahaviri' commentary by Nityanand Misra. Each of the 43 verses of the 'Hanuman Chalisa' is explained in three stages. The first phase being a word-for-word translation to help the reader understand the literal meaning of each word in a verse. The second is a simple English translation of each verse. This third and final phase is an informed commentary on the true meaning of the verse, explaining the deep essence of the text with citations from authoritative Hindu scriptures (the Vedas, Upanishads, Puranas, Ramayana, Mahabharata, Gita, etc.) and other works

of Goswami Tulsidas. All such citations are also translated into English. Following the commentary, Misra also provides five useful appendices for advanced readers. These include more than 120 endnotes (annotations), a detailed note on the prosody and rhythm of all the verses for chanters, the musical notation of the traditional melody of the Hanuman Chalisa for devotional singers and instrumentalists, and two alphabetical indexes for all words and verses used in the hymn. The book is a must-have for reciters and singers of the Hanuman Chalisa who want to understand the deep essence of Tulsidas's timeless hymn to Hanuman. It targets laypersons as well as scholarly readers. The design of the book, including font sizes and line spacing, is suitable for the elderly as well. The book has reached thousands of readers across the globe and has been praised as "the most comprehensive guide to the Hanuman Chalisa available in English". It has been loved by readers for not only its scholarship and research, but also for its beautiful production, aesthetic typeface, attractive layout, and excellent footnotes and appendices.

Finally, they got their chance and - against all the odds - they were both awarded pro contracts. This heartwarming story has now been made into a film starring Jon Hamm (*Mad Men*) and Suraj Sharma (*The Life of Pi*). **Miracle of Love - Stories about Neem Karoli Baba** Ram Dass, T he material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memo□ ries, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortu□ nate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not fac□ tually accurate. I have no way of ascertaining the authenticity of any single story. All I can report is that those o f us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot o f loving help from my friends:
