Oh Crap! Potty Training Jamie Glowacki,2015-06-16 From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.

3 Day Potty Training Lora Jensen,2014-03-04 3 Day Potty Training is a fun and easy-to-follow guide for potty training even the most stubborn child just 3 days. Not just for pee and poop but for day and night too! Lora's method is all about training the child to learn their own body signs. If the parent is having to do all the work, then the child isn't truly trained, but with Lora's method your child will learn when their body is telling them that they need to use the potty and they will communicate that need to you.

Happy Hour Dick Campbell,2019-05-05 A front bar packed with societies misfits, cheap beer and a big tray of free sausages, what could possible go wrong? Happy Hour is an authentic and gritty look at the underbelly of rural feral Australia. It's both ugly and beautiful at the same time. Happy Hour is the literary equivalent of a Big Mac, you know it's bad for you but you just can't put it down. If you are easily offended, then this isn't the book for you, enjoy with caution.

Oh Crap! I Have a Toddler Jamie Glowacki,2019-06-04 Real-world, from-the-trenches toddler parenting advice from the author of the bestselling *Oh Crap! Potty Training*. Toddlers—commonly defined as children aged between two and five years old—can be a horribly misunderstood bunch. What most parents view as bad behavior is in fact just curious behavior. Toddlerdom is the age of individuation, seeking control, and above all, learning how the world works. But this misunderstanding between parents and child can lead to power struggles, tantrums, and even diminished growth and creativity. The recent push of early intellectualism coupled with a desire to "make childhood magical" has created a strange paradox—we have three-year-olds with math and Mandarin tutors who don't know how to dress themselves and are sitting in their own poop. We are pushing the toddler mind beyond its limit but simultaneously keeping them far below their own natural capabilities. In the frank, funny, and totally authentic *Oh Crap! I Have a Toddler*, social worker Jamie Glowacki helps parents work through what she considers the five essential components of raising toddlers: —Engaging the toddler mind —Working with the toddler body —Understanding and dealing with the toddler behavior —Creating a good toddler environment —You, the parent *Oh Crap! I Have a Toddler* is about doing more with less—and bringing real childhood back from the brink of over-scheduled, over-stimulated, helicopter parenting. With her signature down-and-dirty, friend-to-friend advice, Jamie is here to help you experience the joy of parenting again and giving your child—and yourself—the freedom to let them grow at their own pace and become who they are.

Adulting 101 Lisa Henry,2018-04-10 The struggle is real. Nick Stahlnecker is eighteen and not ready to grow up yet. He has a summer job, a case of existential panic, and a hopeless crush on the unattainable Jai Hazenbrook. Except how do you know that your coworker's unattainable unless you ask to blow him in the porta-potty? That's probably not what Dad meant when he said Nick should act more like an adult. Twenty-five-year-old Jai is back in his hometown of Franklin, Ohio, just long enough to earn the money to get the hell out again. His long-term goal of seeing more of the world is worth the short-term pain of living in his mother's basement, but only barely. Meeting Nick doesn't fit in with Jai's plans at all, but, as Jai soon learns, you don't have to travel halfway around the world to have the adventure of a lifetime. This is not a summer romance. This is a summer friendship-with-benefits. It's got pizza with disgusting toppings, Netflix and chill, and accidental exhibitionism. That's all. There are no feelings here. None. Shut up.
