**Encyclopedia of Ephemera** Michael Twyman,2018-10-24 The joy of finding an old box in the attic filled with postcards, invitations, theater programs, laundry lists, and pay stubs is discovering the stories hidden within them. The paper trails of our lives -- or ephemera -- may hold sentimental value, reminding us of great grandparents. They chronicle social history. They can be valuable as collectibles or antiques. But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day-to-day life. The Encyclopedia of Ephemera is the first work of its kind, providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts, from bookmarks to birth certificates to lighthouse dues papers. Continuing a tradition that started in the Victorian era, when disposable paper items such as trade cards, die-cuts and greeting cards were accumulated to paste into scrap books, expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace. His artifacts come from around the world and include such throw-away items as cigarette packs and crate labels as well as the ubiquitous faxes, parking tickets, and phone cards of daily life. As this major new reference shows, simple slips of paper can speak volumes about status, taste, customs, and taboos, revealing the very roots of popular culture.

**Dipal's Diwali** Twinkl Originals,2021-10-01 It's Diwali, and Dipal is excited to share the festival of lights with his little brother. As they celebrate together, Mohan is amazed by all the colourful decorations, beautiful rangoli patterns and dazzling fireworks he sees. This beautiful picture book is designed to introduce ages 3-7 to the traditions and key features associated with Diwali, the Hindu festival of light. The book introduces key learning points that you could explore further, such as the story of Rama and Sita, the meaning behind the diya lamps, what it's like inside a Hindu temple. and how Hindus carry out puja. Download the full eBook and explore supporting teaching materials at [www.twinkl.com/originals](http://www.twinkl.com/originals) Join Twinkl Book Club to receive printed story books every half-term at [www.twinkl.co.uk/book-club](http://www.twinkl.co.uk/book-club) (UK only).

**Celebrate Diwali** Carol Plum-Ucci,2007-08-01 Describes the history of Divali, its symbols, and how it is celebrated today.

*A Holly Jolly Diwali* Sonya Lalli,2021-10-05 Lalli's prose is deft, her characters are delightful and her book is the just-right holiday romance.--USA Today One type-A data analyst discovers her free-spirited side on an impulsive journey from bustling Mumbai to the gorgeous beaches of Goa and finds love waiting for her on Christmas morning. Twenty-nine-year-old Niki Randhawa has always made practical decisions. Despite her love for music and art, she became an analyst for the stability. She's always stuck close to home, in case her family needed her. And she's always dated guys that seem good on paper, rather than the ones who give her butterflies. When she's laid off, Niki realizes that practical hasn't exactly paid off for her. So for the first time ever, she throws caution to the wind and books a last-minute flight for her friend Diya's wedding. Niki arrives in India just in time to celebrate Diwali, the festival of lights, where she meets London musician Sameer Mukherji. Maybe it's the splendor of Mumbai or the magic of the holiday season, but Niki is immediately drawn to Sam. At the wedding, the champagne flows and their flirtatious banter makes it clear that the attraction is mutual. When Niki and Sam join Diya, her husband and their friends on a group honeymoon, their connection grows deeper. Free-spirited Sam helps Niki get in touch with her passionate and creative side, and with her Indian roots. When she gets a new job offer back home, Niki must decide what she wants out of the next chapter of her life—to cling to the straight and narrow like always, or to take a leap of faith and live the kind of bold life the old Niki never would have dreamed of.

**Let's Celebrate 5 Days of Diwali! (Maya & Neel's India Adventure Series, Book 1)** Ajanta Chakraborty,Vivek Kumar,2018-09-05 Join Maya, Neel and their pet squirrel Chintu as they travel to India to celebrate 5 days of Diwali, India's Festival of Lights! Kids will learn about history, food, language and cultural elements of India... all while making new best friends!

Archie Celebrates Diwali Mitali Banerjee Ruths,2021-09-14 It's Archie's favorite holiday—Diwali. And this year she gets to share it with her friends and introduce them to the festival of lights! Archana loves her family's annual Diwali (deh-vah-lee) party, and this year she gets to share it with all her friends from school. She helps with the decorations and the food, and is eager for everyone to arrive. But once the party starts a thunderstorm kicks up and drenches the outside decorations and knocks out the power. Archie worries that everything will be ruined. How can there be a festival of lights without any electricity?

*Boys without Names* Kashmira Sheth,2011-05-24 Trapped. For eleven-year-old Gopal

and his family, life in their rural Indian village is over: We stay, we starve, his baba has warned. They flee to the big city of Mumbai in hopes of finding work and a brighter future. Gopal is eager to help support his struggling family, so when a stranger approaches him with the promise of a factory job, he jumps at the offer. But there is no factory, just a stuffy sweatshop where he and five other boys are forced to work for no money and little food. The boys are forbidden to talk or even to call one another by their real names. Locked away in a rundown building, Gopal despairs of ever seeing his family again. But late one night, when Gopal decides to share kahanis, or stories, he realizes that storytelling might be the boys' key to survival. If he can make them feel more like brothers than enemies, their lives will be more bearable in the shop—and they might even find a way to escape.

**Principles of Management** David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

**Social Media in Trinidad** Jolynna Sinanan, 2017-11-21 Drawing on 15 months of ethnographic research in one of the most under-developed regions in the Caribbean island of Trinidad, this book describes the uses and consequences of social media for its residents. Jolynna Sinanan argues that this semi-urban town is a place in-between: somewhere city dwellers look down on and villagers look up to. The complex identity of the town is expressed through uses of social media, with significant results for understanding social media more generally. Not elevating oneself above others is one of the core values of the town, and social media becomes a tool for social visibility; that is, the process of how social norms come to be and how they are negotiated. Carnival logic and high-impact visuality is pervasive in uses of social media, even if Carnival is not embraced by all Trinidadians in the town and results in presenting oneself and association with different groups in varying ways. The study also has surprising results in how residents are explicitly non-activist and align themselves with everyday values of maintaining good relationships in a small town, rather than espousing more worldly or cosmopolitan values.

**Shadows in the Sun** Gayathri Ramprasad, 2014-10-13 As a young girl in Bangalore, Gayathri was surrounded by the fragrance of jasmine and flickering oil lamps, her family protected by gods and goddesses. But as she grew older, demons came forth from dark corners of her idyllic kingdom—with the scariest creatures lurking within her tortured mind. Shadows in the Sun traces Gayathri's courageous battle with debilitating depression that consumed her from adolescence through marriage and a move to the United States. Her inspiring memoir provides a first-of-its-kind cross-cultural view of mental illness—how it is regarded in India and in America, and how she drew on both her rich Hindu heritage and Western medicine to find healing.

*The Diversity Style Guide* Rachele Kanigel, 2018-10-15 New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should

be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not political correctness. Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.

**Season of the Witch** David Talbot,2013-03-05 In a kaleidoscopic narrative ... bestselling author David Talbot tells the gripping story of San Francisco in the turbulent years between 1967 and 1982--and of the extraordinary men and women who led to the city's ultimate rebirth and triumph.--P. [4] of cover.
