It’s a book for parents and children to share together the many moods of a baby.

Meet Happy Bear Matthew Morgan,2016-08-21 Watch Bear's face move and change before your very eyes, in this fun and interactive board book! Clever paper technology and playful storytelling will amaze young children as they watch Bear's face change... as if by magic. Happy Bear is sad. The animals want to know: what's the matter, Happy Bear? And more importantly, how can they make him happy again. This fun and exciting story is great for helping little ones to explore emotions, especially as by turning the page they can see the bear's facial expressions change right in front of them! The Little Faces board book series encourages children to get involved in the animal characters and situations they're in, while offering satisfying and funny twists at the end.
