Intent A.D. Justice,2016-03-29 Ace Sharp and Layne Elliott are from completely different walks of life. Ace is a single dad, doing his best to raise his daughter in his small hometown. Layne is a career professional, dreaming of the baby she can't have. Their hearts are guarded but for different reasons. Wounded pride rules their decisions and keeps others at a distance. Devastating betrayal haunts their thoughts, making them question if love even exists. Broken souls who refuse to give their hearts away again. But a chance meeting changes everything. Complete opposites intent not to yield, determined not to feel, but incapable of stopping their destiny. Then the past resurfaces with the intent to ruin everything. Is learning to love again worth the risk? After all, a life without love isn't a life worth living.

J'aime Parler! Ann May,2008-06-05 J aime Parler is an enjoyable way of introducing 5 7 year olds to French. The focus is very much on developing speaking and listening skills, and helping children to discover the joy of learning a foreign language. The lesson plans introduce children to simple vocabulary, with lots of opportunities for role play, songs and other activities. The versatile photocopiable sheets support the lessons and can be made into puppets or masks, flashcards, or used simply as colouring-in sheets. The accompanying CDs contains stories, one for each lesson, about Marvin, a young English kitten, who unexpectedly finds himself in France. Lulu, a French cat, befriends him. She helps him to learn to speak French and introduces him to French culture. Children will love practising their French as they listen to Marvin and Lulu s adventures. In addition there are five traditional French songs. We hope you and your pupils will enjoy using J aime Parler! and that your pupils will experience a great sense of personal achievement and confidence in their expanding knowledge and understanding of French.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned--about living in the present, building a legacy, and taking full advantage of the time you have--in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. --Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--Really Achieving Your Childhood Dreams--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Happy Holidays--Animated! William D. Crump,2019-04-04 Since the early 20th century, animated Christmas cartoons have brightened the holiday season around the world--first in theaters, then on television. From devotional portrayals of the Nativity to Santa battling villains and monsters, this encyclopedia catalogs more than 1,800 international Christmas-themed cartoons and others with year-end themes of Hanukkah, Kwanzaa and the New Year. Explore beloved television specials such as A Charlie Brown Christmas, theatrical shorts such as Santa's Workshop, holiday episodes from animated television series like American Dad! and The Simpsons, feature films like The Nutcracker Prince and obscure productions such as The Insects' Christmas, along with numerous adaptations and parodies of such classics as A Christmas Carol and Twas the Night before Christmas.

Becoming Biliterate Bobbie Kabuto,2010-09-13 Through the real-life context of one child learning to be bilingual and biliterate, this book raises questions and provides a context for pre-service and practicing teachers to understand and reflect on how children learn to read and write in multiple languages. Highlighting the social and cognitive advantages of biliteracy, its purpose is to help teachers better understand the complexity by which young children become biliterate as they actively construct meaning and work through tensions resulting from their everyday life circumstances. Perspectives regarding identity and language ideologies are presented to help teachers refine their own pedagogical approaches to teaching linguistically diverse children. Readers are engaged in understanding early biliteracy through a process of articulating and questioning their own assumptions and beliefs about learning in multiple languages and literacies.

A Yearful of Assemblies Eileen Jones,2012-07-13 This is an exciting book on Assemblies throughout the Year that meets the needs of today's teachers and children. The book suggests ways to use modern resources, such as an Interactive Whiteboard and the Internet; yet it retains the basic need to engage children's interest and provides a spiritual dimension broad enough to be inclusive. It recognises the cultural diversity of modern primary schools by taking a global approach to subjects and making use of modern themes and concerns. It helps teachers buisier today, who need to take assembly regularly and want a supply of relevant material. - Suitable for KS1 - With plans for Assemblies
