Sue Fliess

How to Help a Cupid Sue Fliess,2022-01-04 Valentine's Day is all about showing kindness to the most important people in your life—and if you're caring and thoughtful, you can help Cupid spread love and happiness, too! Will you spot a Cupid this Valentine's day? If you do, will you be ready to help him spread love and kindness? By being observant, helpful, and friendly, you can lend Cupid a hand, and together you can make special cards and gifts to show all your favorite people how much they mean to you. So, grab some supplies—stickers, markers, crayons, colored paper, glue, and whatever else you like (it's the thought that counts on Valentine's Day!)—and think of heartfelt messages to share with your loved ones. Then be ready to meet Cupid and work together to spread cheer and happiness! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to help Cupid share the love! Also included are guides for teachers and parents about how to engage children in making Valentine's Day cards and how to interest them in the history of the holiday, the mythology behind the winged messenger Cupid, and the value of being thoughtful and kind to everyone.
