*The Last Pass* Gary M. Pomerantz, 2019-10-22 The New York Times bestseller

Out of the greatest dynasty in American professional sports history, a Boston Celtics team led by Bill Russell and Bob Cousy, comes an intimate story of race, mortality, and regret. About to turn ninety, Bob Cousy, the Hall of Fame Boston Celtics captain who led the team to its first six championships on an unparalleled run, has much to look back on in contentment. But he has one last piece of unfinished business. The last pass he hopes to throw is to close the circle with his great partner on those Celtic teams, fellow Hall of Famer Bill Russell. These teammates were basketball's Ruth and Gehrig, and Cousy, as everyone calls him, was famously ahead of his time as an NBA player in terms of race and civil rights. But as the decades passed, Cousy blamed himself for not having done enough, for not having understood the depth of prejudice Russell faced as an African-American star in a city with a fraught history regarding race. Cousy wishes he had defended Russell publicly, and that he had told him privately that he had his back. At this late hour, he confided to acclaimed historian Gary Pomerantz over the course of many interviews, he would like to make amends. At the heart of the story *The Last Pass* tells is the relationship between these two iconic athletes. The book is also in a way Bob Cousy's last testament on his complex and fascinating life. As a sports story alone it has few parallels: A poor kid whose immigrant French parents suffered a dysfunctional marriage, the young Cousy escaped to

the New York City playgrounds, where he became an urban legend known as the Houdini of the Hardwood. The legend exploded nationally in 1950, his first year as a Celtic: he would be an all-star all 13 of his NBA seasons. But even as Cousy's on-court imagination and daring brought new attention to the pro game, the Celtics struggled until Coach Red Auerbach landed Russell in 1956. Coos and Russ fit beautifully together on the court, and the Celtics dynasty was born. To Boston's white sportswriters it was Cousy's team, not Russell's, and as the civil rights movement took flight, and Russell became more publicly involved in it, there were some ugly repercussions in the community, more hurtful to Russell than Cousy feels he understood at the time. The Last Pass situates the Celtics dynasty against the full dramatic canvas of American life in the 50s and 60s. It is an enthralling portrait of the heart of this legendary team that throws open a window onto the wider world at a time of wrenching social change. Ultimately it is a book about the legacy of a life: what matters to us in the end, long after the arena lights have been turned off and we are alone with our memories. On August 22, 2019, Bob Cousy was awarded the Presidential Medal of Freedom

The Scandals of '51 Charley Rosen,1999-01-05 The college basketball scandals of 1951 were to basketball what the 1919 Black Sox scandals were to baseball—a loss of innocence, after which the game would be permanently tarnished, its relationship to power and big money firmly established. In *Scandals of '51*, Charley Rosen identifies all the major figures—including players, coaches, gangsters, clergymen, politicians—that made up the elaborate network that controlled the outcomes to many games or protected those who did so. Rosen shows who got caught and who didn't, and what role class, race, and religion played in determining this.

**Basketball** Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game's ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses

oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

*Long Shot* Mike Lupica, 2008 Pedro, an avid basketball player, decides to run for class president, challenging a teammate who is also one of the most popular boys in school.
