[Blues Harmonica For Dummies](#) Winslow Yerxa,2020-07-14 Breathe the blues into your harmonica! Blues harmonica is the most popular and influential style of harmonica playing, and it forms the basis for playing harmonica in other styles such as rock and country. Blues Harmonica for Dummies gives you a wealth of content devoted to the blues approach—specific techniques and applications, including bending and making your notes sound richer and fuller with tongue-blocked enhancements; use of amplification to develop a blues sound; blues licks and riffs; constructing a blues harmonica solo; accompanying singers; historical development of blues styles; and important blues players and recordings. The accompanying website features all the musical examples from the book, plus play-along exercises and songs that let you hear the sound you're striving for. In-depth coverage of major blues harmonica techniques Blues song forms, improvisation, and accompanying singers Information on blues history and personalities If you're intrigued by the idea of understanding and mastering the compelling (yet mysterious) art of playing blues on the harmonica, Blues Harmonica For Dummies has you covered. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of Blues Harmonica For Dummies (9781118252697). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!
