Harry Styles Hb NEWMAN, 2022-05-09 * A guide to the style of Harry Styles, a 21st-century fashion icon* Over 200 pictures of Harry and the pop-idols who have influenced his sartorial taste* The perfect gift for fans and fashionistas I'm incredibly lucky to have an environment where I feel comfortable being myself - Harry Styles. Stepping bravely into the cyclone of 21st-century fashions, Harry Styles is more than weathering the storm. Whether he's breaking the internet with his \$7.99 frog-eyed yellow bucket hat or a pair of black fishnets, or fronting cult magazine The Beauty Papers, as he did in March 2021, Hazza's sparkle knows no boundaries. Gucci met Styles in 2014, and there was instant chemistry. According to designer Alessandro Michele, Harry is 'a young Greek God with the attitude of James Dean and a little bit of Mick Jagger' - and that effortless superstardom certainly radiates from the photos in this collection, which document the heart of Harry's wardrobe, both on-stage and off. Part fashion history lesson, pulling references from the rock and roll greats of the past, and part innovation, Harry's style pays homage to Kurt Cobain and Marc Bolan, Prince and Little Richard, while developing into something authentic and entirely his own. This chic book fizzles with facts about Harry's styling choices, presenting the star's most revered looks alongside pictures

that trace the roots of each design. With quotes from key designers, this is the perfect gift for any fan.

Love Is a Mix Tape Rob Sheffield, 2007-12-04 "The happiest, saddest, sweetest book about rock

'n' roll that I've ever experienced."—Chuck Klosterman Mix tapes: We all have our favorites. Stick one into a deck, press play, and you're instantly transported to another time in your life. For Rob Sheffield, that time was one of miraculous love and unbearable grief. A time that spanned seven years, it started when he met the girl of his dreams, and ended when he watched her die in his arms. Using the listings of fifteen of his favorite mix tapes, Rob shows that the power of music to build a bridge between people is stronger than death. You'll read these words, perhaps surprisingly, with joy in your heart and a song in your head—the one that comes to mind when you think of the love of your life. *Praise for Love is a Mixtape* "A memoir that manages, no small feat, to be funny and beautifully forlorn at the same time."—The New York Times Book Review "Humorous, heartbreaking, and heroic."—Entertainment Weekly "The finest lines ever written about rock 'n' roll . . . Like that song on the radio, every word of Rob's book is true. Love is a mix tape."—Rolling Stone "Many of us use pop culture as a mirror of our emotional lives, but Sheffield happily walks right through the looking glass."—Los Angeles Times "Sheffield writes with such aching remembering, you feel like you are invading his privacy . . . and it's the truth of those details that make this memoir so touching."—Newsweek
