The House of Diamond Ted Gottfried, 1988

The House in Russian Literature Joost van Baak, 2009-01-01 The domestic theme has a tremendous anthropological, literary and cultural significance. The purpose of this book is to analyse and interpret the most important realisations and tendencies of this thematic complex in the history of Russian literature. It is the first systematic book-length exploration of the meaning and development of the House theme in Russian literature of the past 200 years. It studies the ideological, psychological and moral meanings which Russian cultural and literary tradition have invested in the house or projected on it in literary texts. Central to this study's approach is the concept of the House Myth, consisting of a set of basic fabular elements and a set of general types of House images. This House Myth provides the general point of reference from which the literary works were analyzed and compared. With the help of this analytical procedure characteristics of individual authors could be described as well as recurrent patterns and features discerned in the way Russian literature dealt with the House and its thematics, thus reflecting characteristics of Russian literary world pictures, Russian mentalities and Russian attitudes towards life. This book is of interest for students of Russian literature as well as for those interested in the House as a cultural and literary topic, in the semiotics of literature, and in relations between culture, anthropology and literature.

Diamond and the Eye Peter Lovesey,2022-06-09 Of all the weird characters Detective Superintendent Peter Diamond has met in Bath, this one is the most extreme: a twenty-first-century private eye called

Johnny Getz, whose office is over Shear Amazing, a hairdressing salon. Johnny has been hired by Ruby Hubbard, whose father, an antiques shop owner, has gone missing, and Johnny insists on involving 'Pete' in his investigation. When Diamond, Johnny and Ruby enter the shop, they find a body and a murder investigation is launched. Diamond is forced to house his team in the dilapidated Corn Market building across the street. His problems grow when his boss appoints Lady Bede, from the Police Ethics Committee, as an observer. Worse still, Johnny conducts his own inquiry by latching onto Ruby's stylish friend, a journalist called Olympia. Shootings from a drive-by gunman at key players create mayhem and the pressure is really on. Can the team stop more killings in this normally peaceful city? What happened to Ruby's father? And will Johnny crack the case before Diamond does?
