Have You Ever Seen a Moose Taking a Bath? Jamie

McClaine,2001 When this moose takes a bath, he creates quite a scene with his rubber ducky, scrubbing brush, Mr. Moose Bubbles, and a belly-flop right into the water.

Down by the Bay ,1999-03-02 Raffi's hilarious version of the classic song about strange events that happen down by the bay, where the watermelons grow... Singing supports and encourages even the youngest child's speech and listening skills, which makes **Down by the Bay** perfect for early learning. In this friendly board book edition, irresistible art by Nadine Bernard Westcott depicts wonderfully amusing creatures such as a bear combing his hair, a goose kissing a moose, and a whale with a polka-dot tail. Very young children will find this book both entertaining and instructive in early language skills such as rhyme, rhythm, and repetition, and will delight in hearing it read or sung aloud to them.

Purposeful Play for Early Childhood Phonological Awareness, 2nd Edition ebook Hallie Yopp,Ruth Helen Yopp,2022-02-25 Build phonological awareness in a fun and meaningful way! This book provides pre-K through first grade students with over 80 research-based early childhood activities that focus on detecting,

Flopping on the Deck Matt Kavan,2014 A collection of 160 songs and poems about travel, water, experiences, struggles, drinking, jokers, myths and dreams, random thoughts, and writing.

Crow Never Dies Larry Frolick,2016-09-19 “It was a different crow, but the same crow, you understand? Because there is only one Crow. God made them all black and identical-looking because there is no reason for them to be different birds. That’s why you can never kill a crow, because it lives forever. Crow never dies!” — James Itsi For over 50,000 years, the Great Hunt has shaped human existence, creating a vital spiritual reality where people, animals, and the land share intimate bonds. Author Larry Frolick takes the reader deep into one of the last refuges of hunting societies: Canada’s far north. Based on his experiences travelling with First Nations Elders in remote communities across the Northwest Territories, Yukon, and Nunavut, this vivid narrative combines accounts of daily life, unpublished archival records, First Nations' stories and Traditional Knowledge with personal observation to illuminate the northern wilderness, its people, and the complex relationships that exist among them.
