with the progress you've actually made? Think about your relationships. How much of your dissatisfaction with friends, family, significant others, or spouses has to do with your unspoken presumptions—than with the people themselves? Having so many expectations is distorting your perspective, decreasing your happiness and disrupting your joy. You can live a life of true freedom, greater peace and less stress: release as many expectations as possible. This, DeVon Franklin argues, is the secret to a better life now. In a culture obsessed with more, *Live Free* is a bold counterintuitive book that can start a cultural revolution, Franklin contends. Everyone struggles with unnecessary expectations. But once you learn to let go of them, you can set the stage for the life you've always wanted.
