Pie Academy Ken Haedrich, 2020-10-27 "An excellent resource for home bakers looking to up their pie game. – Publishers Weekly, starred review The wide-ranging, well-curated mix of classic and contemporary recipes and expert advice make this an essential primer for avid home bakers. – Library Journal, starred review Readers will find everything they'd ever want to know about making pie, and even the dough-fearful will feel ready to measure, roll, and cut. – Booklist, starred review "Fear of pie? Ken Haedrich to the rescue. Pie Academy takes you through everything pie related – perfect crusts, fillings, crimping techniques, blind baking, lattice toppings and more." – Kathy Gunst, coauthor of *Rage Baking* and resident chef for NPR's *Here and Now* "A true baker's delight." – Amy Traverso, *Yankee* magazine food editor and author of *The Apple Lover's Cookbook* Trusted cookbook author and pie expert Ken Haedrich delivers the only pie cookbook you'll ever need: *Pie Academy*. Novice and experienced bakers will discover the secrets to baking a pie from scratch, with recipes, crust savvy, tips and tutorials, advice about tools and ingredients, and more. Foolproof step-by-step photos give you the confidence you need to choose and prepare the best crust for different types of fillings. Learn how to make pie dough using butter, lard, or both; how to work with all-purpose, whole-wheat, or gluten-free flour; how to roll out dough; which pie pan to use; and how to add flawless finishing details like fluting and lattice tops. Next are 255 recipes for every kind and style of pie, from classic apple pie and pumpkin pie to summer berry, fruit, nut, custard, chiffon, and cream pies, freezer pies, slab pies, hand pies, turnovers, and much more. This beast of a collection, with gorgeous color photos throughout, weighs in at nearly four pounds and serves up forty years of pie wisdom in a single, satisfying package.

The Academy: Game On Monica Seles, James LaRosa, 2013-06-04 The Academy is an International Sports Mecca for teen athletes. There are only two ways in. Deep pockets or enough talent to score a scholarship. Young tennis star Maya's dreams have finally come true when she earns a scholarship to The Academy. Plucked from her small town, Maya moves to the sports training facility/boarding school to (hopefully) start the beginning of her pro career. But Maya's fantasy of The Academy doesn't quite match the reality. Because where there are hot, talented teens, there's a lot of drama. Meet the players: Nicole: A tennis star who feels threatened by Maya (but she'd never admit it). Cleo: Maya's rebel/punk roommate who is nearing the top of the golf world. Renee: The gorgeous swimmer with enough money to buy her way into The Academy. Travis: The son of The Academy owner--perfectly groomed to be the next NFL star. Jake: Travis' younger brother--the bad boy to his brother's good.

The Academy Cj Daly, 2019-07 Kate Connelly should be careful what she wishes for. Just seventeen, she already feels like she's suffocating. Since her mother's death, her father has basically checked out, so she's stuck raising her brothers by herself out in the New Mexico scrub. All Kate wants is a little distraction from the same-ole, same-ole that is her life. When two mysterious guys show up at the diner where she works, she thinks her wish has come true, until they start giving her a hard time. Like her life isn't hard enough. Something about them niggles her, but she brushes it off. She's never going to see them again anyway . . . right? Then they appear in an alley one night, to either rescue or kidnap her (she's still not sure which), before disappearing like figments of her imagination. Kate decides to put the bizarre encounters out of her mind. She has bigger problems to worry about: like that elite military academy that's been pursuing her gifted little brother. When one of their cadets shows up at school, he creates instant pandemonium. And just happens to be one of those mysterious guys. Coincidence? Mama said there's no such thing. And to always trust her instinct. But that might be kind of hard, because every time she's around Cadet Peter Davenport, her gut starts flip-flopping on her. And her heart. Can Kate keep it together long enough to stop Cadet Davenport's mission? She's about to find out. And once again-how neatly life can be split into before and after.

Unlikely Allies in the Academy Karen L. Dace, 2012-05-23 A CHOICE Outstanding Academic Title 2012! *Unlikely Allies in the Academy* brings the voices of women of Color and White women together for much-overdue conversations about race. These well-known contributors use narrative to expose their stories, which are at times messy and always candid. However, the contributors work through the discomfort, confusion, and frustration in order to have honest conversations about race and racism. The narratives from Chicanas, Indigenous, Asian American, African American, and White women academicians explore our past, present, and future, what separates us, and how to communicate honestly in an effort to become allies. Chapters discuss the need to interrupt and disrupt the norms of interaction and engagement by allowing for the messiness of discomfort in frank discussion. The dialogues model how to engage in difficult dialogues about race and begin to illuminate the unspoken misunderstandings about how White women and women of Color engage one another. This valuable book offers strategies, ideas, and the hope for moving toward true alliances in the academy and to improve race relations. This important resource is for Higher Education administrators, faculty, and scholars grappling with the intersectionality of race and gender as they work to understand, study, and create more inclusive climates.

Ghost Academy E C Farrell, 2020-01-03 When I wake up at Locklear Academy, I have no memory of how I got here... or any memories at all. Oh, yeah, and did I mention that I'm dead? If I ever want to pass on, I'm going to have to recover my past. Easier said than done. But Locklear, aka Ghost Academy, specializes in helping spirits take care of their unfinished business. There are just a few problems. First, the X-ers, an extremist group whose main goal is to forcibly send ghosts like me into the great whatever beyond, painfully and without that sense of peace we crave. Then there's the polter-ghost who has been following me around since I got here. But my biggest distraction comes in the form of Rafe: a fox shifter with the most adorable dimples, carrying around way more guilt than any ghost deserves. Maybe I shouldn't have a crush in the afterlife, but I'm dead, not blind. As my memories start to resurface, so do the threats from the X-ers. The clock is ticking and every moment I'm here becomes more dangerous. Not just because of the X-ers, but because the more time I spend with Rafe, the less I want to move on. *Ghost Academy* is a YA paranormal academy / urban fantasy that will contribute to your reading related insomnia. This is book one of the *Ghost Academy Duology* and a spin off of *Blakemore Academy*.

Transactions of the Academy of Science of Saint Louis Academy of Science of St. Louis, 1860 List of members in each volume, except v. 5.

To Improve the Academy James E. Groccia, 2012-08-31 An annual publication of the Professional and Organizational Development Network in Higher Education (POD), *To Improve the Academy* offers a resource for improvement in higher education to faculty and instructional development staff, department chairs, faculty, deans, student services staff, chief academic officers, and educational consultants. artists Exploring the spiritual roots of midcareer faculty Raising funds from faculty for faculty development centers Mentoring in higher education Tough-love consulting in order to effect change Research on the impact of educational development Examining effective faculty practice Insights on millennial students Contemplative pedagogy of teaching and learning centers Faculty and student perspectives on course evaluationterminology Questions about student ratings Small-group individual diagnosis to improve onlineinstruction Supporting international faculty Complex ecologies of diversity, identity, teaching, andlearning Organizational strategies for fostering faculty racialinclusion The truth about students' capacity for multitasking Tweeting: the 2011 POD HBCUFDN Conference Twitterbackchannel Designing active learning with flexible technology

Explorer Academy: The Double Helix (Book 3) Trudi Trueit,2019-09-24 The mystery deepens and the action intensifies for 12-year-old Cruz Coronado and friends in the exciting third book in the Explorer Academy series. The adventure continues for Cruz, Emmett, Sailor, and Bryndis as they continue their studies at sea and travel to exotic locations around the world. A mysterious person alerts Cruz to impending danger while he and a few trusted pals explore ancient ruins in Petra, Jordan, and search for another piece of the puzzle his mother left behind. Worst of all, now his father has gone missing, which prompts Aunt Marisol, his number one protector, to leave the ship in search of him. Who is the new professor who takes her place? How does the new technology he introduces help or hurt Cruz's quest? Why is Nebula determined to stop Cruz before he turns 13? The clock is ticking as his first teen birthday draws near ... a milestone that will change his life forever, one way or another.

Women Writing the Academy Gesa Kirsch,1993-10-28 Through extensive interviews, investigates how women in different academic disciplines perceive and describe their experiences as writers in the university. No index. Annotation copyright by Book News, Inc., Portland, OR

The Academy ,1892

The Academy Katie Sise,2018-05-22 The Devil Wears Prada meets Private Benjamin in this funny and charming story of a fashionista teen blogger who gets sent to military school, perfect for fans of Sarah Mlynowski and Kasie West. Frankie Brooks knows what she wants in life: to become the world's next great fashion editor. All she needs to do is get into the elite American Fashion Academy in New York City. If she gets in, her life plans will be going right on schedule. Anna Wintour, watch out. But after Frankie messes up one too many times—hey, it's hard not to prioritize her acclaimed fashion blog above all else—her parents come up with entirely different plans for her future: military school. How is Frankie, the least athletic person in the world, who knows absolutely nothing about the military, going to survive a whole semester at the famed—and feared—Academy? With classmates who seem to be totally uninterested in her, a course load that's even more difficult than her old school's, and the weird War Games competition she has to join, Frankie finds that her life is way tougher than it used to be. And no one, including her roommate Joni, seems to understand Frankie at all. As she learns how to cope with impossible military drills and intimidating specialized classes and is maybe even falling for super-hot and super-smart cadet Jack Wattson, can Frankie prove to everyone that being a fashionista doesn't mean she can't succeed?

The Academy Awards Paul Michael,1978

Luke C. L. Stone,2021-07-01 The Academy: Ghost Bird series in a different look at the very beginning. Read Introductions with a whole new perspective--the boys'. Luke Taylor can't seem to ever relate to his brother, North. They're like night and day: North is rigid and intense where Luke is playful and a dreamer, his head often in the clouds. Being around each other too long can be difficult. The Academy and Luke's friends helped to bring them together, and Luke will be forever grateful, but North is just no fun sometimes. Luke can't wait for the new job at the high school this year. He's eager to expand his friendship circle...and maybe having a project to focus on will help North blow off some steam. When the Academy hires the team on a small side job, Luke and North are forced to stick together. The brothers are on the job, but they struggle to communicate and work together. The rest of the team are reluctant and dragging their feet on their current mission. Something about a girl having trouble at home. Who is this Sang Sorenson and how can one shy, mysterious girl turn a dedicated Academy team upside down nearly overnight? The brothers need to find out. But if they can't come together, they not only risk losing her but their differences might just tear the entire team apart.

Murder at the Academy Awards Joan Rivers,Jerrilyn Farmer,2009-01-23 As the Queen of the Red Carpet, Joan Rivers has been eyewitness to Hollywood's most heinous crimes (okay, so they're fashion-related). And in this über-stylish mystery, she enlists her no-holds-barred, slightly blonder literary counterpart, Maxine Taylor, to solve a crime of a different sort. When a gorgeous young actress dies on the Red Carpet, some in Tinseltown call it bad publicity. Max calls it murder. The Academy Awards®. It's Hollywood's biggest night, and there's no star better equipped than the tart-tongued Max Taylor to hold court on the glamorous Red Carpet. Sharing the dish with her daughter, Drew, the calls-it-as-she-sees-it entertainer has parlayed this star-studded annual gig into television's most-watched pre-show event. And tonight, Max has landed a real coup—an exclusive interview with Halsey Hamilton, a fabulous, young, paparazzi-trailed Oscar nominee. But not even Max, who's seen her share of celebrity train wrecks, is prepared for an incoherent Halsey, straight out of rehab, to stumble up to the mic, slur a few cryptic words, and drop dead at the hem of Max's stunning Michael Kors gown. To Hollywood, the starlet's demise was tragic but inevitable. To Max, it looks more like a perfectly calculated crime. After all, she alone heard Halsey's final whisper—a clue that leads Max to the pricey rehab clinic Wonders. With a weakness for nothing more disturbing than artificial sweeteners, Max nonetheless goes undercover and embarks on a twelve-step investigation into murder. Once inside the luxury clinic, Max's list of suspicious players expands faster than the Jolie-Pitt family: Burke Norris, a professional cad and Drew's ex-fiancé; Halsey's father, who is still making money off his dead daughter's fame; Halsey's jealous younger sister; and Rojo Bernstein, a tattooed karate hipster who knew the troubled fallen star much better than anyone suspected. Now it's left to Max to unravel the sordid motives and find Halsey's killer while upstaging an over-the-top Hollywood memorial service and funeral where the ill-fated actress was buried in, of all things, a tacky designer knockoff! And you thought the Oscars were all swag bags and Jimmy Choos? Hah! Honey, it's murder. In *Murder at the Academy Awards®*, Joan Rivers delivers a very smart, bracingly funny, and pitch-perfect reflection of a Hollywood only she would dare to reveal—all seen through the eyes of an indomitable, high-end amateur sleuth who isn't asking Who are you wearing? but rather Whodunit?

Journal of the Academy of Natural Sciences of Philadelphia Academy of Natural Sciences of Philadelphia,1825 List of members, 1812-1848 (1 p. 1., 8 p.) inserted in 2nd series volume 1.

The Transactions of the Academy of Science of Saint Louis ,1892

Trickster Academy Jenny L. Davis,2022-02-08 Trickster Academy is a full-length collection of poems that explore

the experience of being Native in Academia-from land acknowledgment statements to the criteria for tenure and the histories of using Native American remains within Anthropology. Organized around the premise of the Trickster Academy, a university space run by and meant for training tricksters, this collection moves between the personal dynamics of a two-spirit Indigenous woman in spaces where there are few others, and a trickster's critique of those same spaces. But these realities aren't specific only to those in academic positions-from leaving home, to being the only Indian in the room, to having to deal with the constant pressures to being a 'real Indian', they are shared experiences of Indians across many different regions, and all of us who live among tricksters--

The Big Show Steve Pond,2005-12-27 An unprecedented look at the machinations behind everyone's favorite Hollywood circus and what it reveals about the business of moviemaking. Oscar parties. Oscar pools. Oscar style. Oscar predictions. The Oscars breed their own peculiar mania and a billion people worldwide are alleged to watch the broadcast every year. While that figure may be the Academy's big white lie, the Oscars draw a viewership well into the hundreds of millions--a tremendous audience for what is essentially a television program. But this is no ordinary show. Love it or loathe it, the Oscars are an irresistible spectacle: a gloriously gaudy, glitzy, momentous, and foolish window into the unholy alliance of art and commerce that is the film industry. The Oscar statuette is a totem of such potency that millions are spent and careers laid on the line in the reckless pursuit of an eight-pound chunk of gold-plated britannium. The Big Show is a chronicle of the past fifteen years of the Academy Awards, the most tumultuous decade in Oscar's seventy-six year history. Written by the only journalist ever given carte blanche access to the planning, production, and backstage intrigue of the Oscars, it offers an unguarded, behind-the-scenes glimpse of this singular event, along with remarkable insight into how the Oscars reflect the high-stakes politics of Hollywood, our obsession with celebrities (not to mention celebrities' obsession with themselves), and the cinematic state of the union.

Proceedings of the Academy of Natural Sciences of Philadelphia Academy of Natural Sciences of Philadelphia,1869 Publications of the Academy of Natural Sciences of Philadelphia: v. 53, 1901, p. 788-794.

The Academy: Love Match Monica Seles,2014-02-25 At the Academy, a sports training facility/boarding school for teenaged athletes, 16-year-old Maya finds it hard to focus on tennis when gossip, a modeling gig and renewed feelings for her ex-boyfriend get in the way. Simultaneous.

Whispering the Strategies of Language: An Emotional Journey through **He Academy**

In a digitally-driven world where displays reign supreme and immediate connection drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases frequently move unheard. However, located within the pages of **He Academy** a captivating fictional treasure sporting with raw emotions, lies an exceptional journey waiting to be undertaken. Composed by a skilled wordsmith, this charming opus invites visitors on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the very fabric of each word. Within the mental depths of the emotional evaluation, we will embark upon a genuine exploration of the book is core subjects, dissect their interesting writing design, and fail to the powerful resonance it evokes serious within the recesses of readers hearts.
